First Day Blues:

The Quirky Kampung Tales Of Ijan And His Early School Years Saiful Lizan Muhamed,2022-11-30 The book is generally written in a humorous tone but there are poignant moments in the book where the narration takes on a more serious or sad tone where they are needed The book is about the growing up years of a boy called Ijan who grew up in a fast developing Singapore in the 1970s and 1980s in two different villages or kampung as they are called in Singapore Although the concept or notion of a kampung is now gone in the developed city of Singapore the book invites the readers to take a journey back to a historical Singapore as a backdrop Ingrained in the ways of the village Ijan the kampung boy had also attended schools which were very structured and the schools were where his parents were teachers As a kampung boy Ijan was accustomed to his roaming ways and as a teacher s son he was expected to behave This was further compounded where it seemed Ijan s DNA had been hardwired with the characteristics of what was known in the village as a pular dua anomaly He was born with two hair whirls at the back of his head This led to a somewhat disorderly hair disposition for Ijan but more significantly the villagers believed this anomaly brought with it certain traits to the afflicted boy It was believed that a pular dua boy would be a maverick of sorts hyperactive and stubborn to say the least He was also believed to be blessed with a very endearing character especially to animals The interesting contrast in environment character and expectations are the themes that carry the narration in this book with Ijan as the protagonist *My Alma Mater* Khaidji,2016-04-20 *My Alma Mater* The Spirit Of Combermere Lives are in the making here at Combermere and this cleverly crafted collection of acrostic poems by a past student from this auspicious school gives readers glimpses back into some of the character building experiences students take away When you read *My Alma Mater* you might find that you too were part of similar if not the same experience and the nostalgia gets you to relive episodes of the best years of your life The Spirit of Combermere lives on in its graduates like a genotypic trait and where ever Cawmerians are found it is apparent their origin *The New Girl* Random House,2013 Based on *Victorious* and *The bird scene* written by Dan Schneider ***Carrier of the Mark*** Leigh Fallon,2011-10-04 Their love was meant to be When Megan Rosenberg moves to Ireland everything in her life seems to fall into place After growing up in America she s surprised to find herself feeling at home in her new school She connects with a group of friends and she is instantly drawn to darkly handsome Adam DeR s But Megan is about to discover that her feelings for Adam are tied to a fate that was sealed long ago and that the passion and power that brought them together could be their ultimate destruction *Not Like the Others: The Prophecy* Travis Simmons,2024-05-06 Murder Something that happens an average of 63 times a day in the United States Hidden within those deaths are unsolved cases fitting a particular profile Bodies with severe scarring and drained of blood Killings of this nature have become cold cases as there has been no evidence left behind Detective Maxwell Thorn specializes in these cases and has now brought said cases to close in four major cities in the last few years Having just finished in Atlanta a string of murders and missing now plagues Boston Detective Thorn is called to
