Buckingham,2019-03-15 Explore this gripping day by day combat narrative of the infamous battle for a bridgehead over the Rhine **The Sicily Campaign** William F. Buckingham,Dudley Giles,2025-05-15 The joint Allied invasion of Sicily the first successful attempt to occupy enemy territory and the precursor for both the invasion of Italy and the later Normandy campaign The Riviera at War George G. Kundahl,2017-05-30 During World War II three distinct forces opposed the Allies Germany Italy and Japan Few areas of the world experienced domination by more than a single one of these but southeastern France the region popularly known as the Riviera or Cote d Azur was one Not only did inhabitants suffer through Italian Fascism and German Nazism but also under a third hardship at times even more oppressive the rule of Vichy France Following a nine month prelude the reality of World War II burst onto the Riviera in June 1940 when the region had to defend itself against the Italian army and ended in April 1945 with a battle against German and Italian forces in April 1945 a period longer than any other part of France In this book George G Kundahl tells for the first time the full story of World War II on the French Riviera Featuring previously unseen sources and photographs this will be essential reading for anyone interested in wartime France **Once a Grenadier** Oliver Lindsay,1996-03-14 An eminent writer has said that regiments great in history have this in common with mortals through old in glory and honour they have yet the vigour of youth To none may the remark be more truthful applied then the Grenadier Guards Thus wrote Chichester and Burges Short in 1900 and judging by the Regiment s history over the last fifty years the words ring as true as ever For this history of Grenadier Guards is indeed a microcosm of all the proud endeavours of the British Army There are few places of significance where the Regiment has not served after the round up of Nazis in 1945 in Germany and Austria Grenadiers saw action in Palestine and in the jungles of Malaya and subsequently served

during emergencies in Cyprus the Cameroons British Guiana Belize Northern Ireland the Gulf and with the United Nations to indicate but some of the over seas postings which included the Falklands and Hong Kong Grenadier have also been responsible for the protection of British Sovereigns and the great ceremonial events in London including the funerals of King George VI and Winston Churchill Oliver Lindsay has produced a rigorous work of history his fourth book rich in quotation after interviewing Grenadiers serving and retired of all generations Drawing on their accounts as well as his own experiences for he was a regular soldier for thirty five years he has written a book of extraordinary interest Unique among such historians he tells of the experiences of wives in such places as war torn Germany in 1945 Tripoli and Cyprus The story of Grenadiers who served with the Guards parachute Company and in the SAS is included Five years in the writing this comprehensive record included coverage of training tactics the pronounced changes in the armed forces and the views and anecdotes of the Non Commissioned Officers and Guardsmen Profusely illustrated and with 14 detailed maps this is a dedicated history of the senior infantry Regiment in the British Army and what is probably the most famous Regiment in the world *Don't Cry For Us, Saigon* Major (Retired) Steven E. Cook, 2019-02-27 The United States military did not lose the Vietnam War The South Vietnamese government lost the Vietnam War With many inaccurate books biased statements lack of understanding and facts I decided to write a Vietnamese history book with emphasis on the Second Indochina War This book will correct many of those misconceptions about the Vietnam War answer controversial questions and give readers a microcosm and basic dynamics of the Vietnam War I recorded and archived highlights of the Vietnam War and the accounts of American military heroes whose sacrifices and heroic exploits might otherwise be lost to history The poignant riveting and the gripping reality of war and the demons and misfortune of the Vietnam veterans will be depicted in the book This book is intended for a variety of audiences veterans family members gold star mothers organizations agencies clubs college students faculty and history buffs Search and destroy operations in South Vietnam will be described in comprehensive detail and why President Johnson later changed the name of search and destroy operations to reconnaissance in force This book will show that the worst atrocity of the Vietnam War occurred in the United States when America shunned and discriminated against its Vietnam War veterans and gold star mothers This book is a first person account of high school teenyboppers suddenly answering the call for duty and turning into elite combat warriors virtually overnight Vietnam War veterans saw and experienced horrific savage and direct combat repeatedly that humans aren't intended to see Testimonies of seasoned combat Airborne Infantry soldiers Pathfinders and Special Forces whose average age was twenty one will be depicted through empirical vignettes These first person vignettes will describe the carnage of firefights mortar attacks the stench of human decay and flesh torn and broken and the camaraderie and bonds of men at war Do not judge these warrior leader heroes unless you have walked a mile in their jungle boots through a jungle in a combat environment Remember once upon a time we were all like you Myths of the Vietnam War will be refuted rebutted and debunked Agent Orange and other

herbicides used in the Vietnam War will be discussed This book will help all veterans their families and America to better understand and come to some closure and aid in catharsis We are awesome It is chic and vogue to be a Vietnam veteran now
