**Collected Poems, 1952-1999** Robert Mezey,2000-07-01 This important collection of poems which spans a career of nearly fifty years demonstrates Robert Mezey s development as a notable stylist thinker and poet Moving from adaptations of Latin and Spanish poems to prayers and lamentations from elegies and plaints of lost love to flights of comic and ribald fancy his poetry reaches to the extremes of human experience The death of friends and family one s self betrayals and self infatuations the comical confusion of a worried mother the art of

a doomed Jewish child in a Nazi concentration camp all these human dramas play out bravely against the backdrop of the beautiful indifferent path Mezey can portray aging and death or sing of love and nature with an accuracy of perception and an intensity of feeling heightened by formal clarity and restraint With his razor sharp eye for the singular detail he describes missed opportunities and moments of human weakness and loss in gestures so real the reader will ache In capturing the pain of religious doubt the pangs of tenderness and elation and the vagaries of fate so honestly Mezey has wrought a high finish to each poem so that in the words of Donald Justice they become absolute classics of calm and beauty Standard Catalog for High School Libraries ,1928 The 1st ed accompanied by a list of Library of Congress card numbers for books except fiction pamphlets etc which are included in the 1st ed and its supplement 1926 29 **Encyclopedia of Post-Colonial Literatures in English** Eugene Benson,2004-11-30 Documents the history and development of Post colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories In more than 1 600 entries written by more than 600 internationally recognized scholars it explores the effect of the colonial and post colonial experience on literatures in English worldwide **Guide to the Study and Use of Reference Books** ,1917 *A Complete Greek and English Lexicon of the Poems of Homer and the Homeridæ ...
