## **First And Second Chronicles:**

**First and Second Chronicles** Steven Shawn Tuell,2012      **First and Second Chronicles** Paul K. Hooker,2001-01-01  
Presents the first and second Chronicles as a theological reflection on the story of Israel's faith using the narrative of Samuel and Kings reaffirming Israel's position as the chosen people of God and tracing the role of worship in Israel's history as a nation Original      *First and Second Chronicles* Andrew E. Hill,2003 The Chronicles are more than a history of ancient Israel under the ascent and rule of the Davidic dynasty They are a story whose grand theme is hope Great battles are fought heroes and tyrants vie for power Israel splits into rival kingdoms and the soul of God's holy nation oscillates between faithlessness and revival Yet above this tossing sea of human events God's covenant promises reign untroubled and supreme First and Second Chronicles are a narrative steeped in the best and worst of the human heart but they are also a revelation of Yahweh at work forwarding his purposes in the midst of fallible people God has a plan to which he is committed Today as then God redirects our vision from our circumstances in this turbulent world to the surety of his kingdom and to himself as our source of confidence and peace Exploring the links between the Bible and our own times Andrew E Hill shares perspectives on 1 and 2 Chronicles that reveal ageless truths for our twenty first century lives Most Bible commentaries take us on a one way trip from our world to the world of the Bible But they leave us there assuming that we can somehow make the return journey on our own They focus on the original meaning of the passage but don't discuss its contemporary application The information they offer is valuable but the job is only half done The NIV Application Commentary Series helps bring both halves of the interpretive task together This unique award winning series shows readers how to bring an ancient message into our postmodern context It explains not only what the Bible meant but also how it speaks powerfully today      [Eerdmans Commentary on the Bible: First and Second Chronicles](#) Richard J. Coggins,2019-06-18 This extract from the Eerdmans Commentary on the Bible provides Coggin's introduction to and concise commentary on First and Second Chronicles The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions      [First and Second Chronicles](#) Steven S. Tuell,2012-08-01 This volume provides a contemporary scholarly interpretation of the books of First and Second Chronicles Old Testament writings that are often overlooked and seldom preached upon or studied in churches      *First and Second Chronicles* Anderson Bibles,2017-07-19 The books of 1st and 2nd Chronicles tell the story of Israel's Kings It is a book of genealogies and records

Lots of names are listed in the books of 1st and 2nd Chronicles The books of Chronicles also tell of the Almighty God s faithfulness in keeping His promises to His people The books tell also about God s covenant with David the rebuilding of the Temple by David s son Solomon The temple is at the central focus of the books of Chronicles David made plans to build the temple however his son Solomon builds it Kings are inaugurated in the temple the life of Prophets are put out in the temple and the law was found in the temple This giant print book of the 1st and 2nd Chronicles is perfect for witnessing and ministry great for elderly folks and residents of nursing homes great read while travelling perfect for individuals with low vision and a great tool for Bible Study and small group discussions The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text The book s construction makes it such that it is easy to carry around light weight printed on rich acid free paper clear bold giant print and includes the inscription over each text

**Chronicles in Blank Verse** Day Williams,2020-01-04 This is First and Second Chronicles from the Holy Bible in blank verse by Day Williams

**First And Second Chronicles** John C. Endres,2016-12-01 In the era in which the Chronicler writes the pressing question is How will Judeans reestablish themselves after the Babylonian exile The Chronicler s answer is to encourage the people of Israel to live out of their memory of God s mercy and compassion Knowing and cherishing the books of Samuel and Kings the writer interprets their message differently because the people of his era face new challenges to their life and faith This commentary highlights the special character of First and Second Chronicles by pointing out subtle ways in which the Chronicler changes the story of Israel Many of these slight changes in wording reflect theological shifts in the postexilic era The Chronicler sees a need for a strong spiritual center that is clearly located in the Jerusalem temple and its life of worship and prayer Alienated northern tribes may enter this religious world by participating in temple worship New and original materials describe the services and the roles of Levites and priests at the temple Kings foster worship and demonstrate a spirituality of repentance Israel can again become a people united if all join together in worship To the discouraged this history offers hope
