David Thomas Kerr Drummond

First Look Prayer:

Prayers in Public Schools and Other Matters United States. Congress. Senate. Committee on the Judiciary, 1963
Considers constitutional amendments to reverse various court decisions prohibiting prayer in public schools *Impacting Generations* Dave Kubal, 2025-05-06
The Body of Christ today doesn't understand a crucial aspect of the Abrahamic covenant we have a calling, gifting, and command to influence places and people in authority in order to impact culture with Kingdom values. Christians are called to bless all nations and we have divine power within us to impact nations. The book will address the difference between prayer and intercession as well as the impact of God's permissive and perfect will on how we pray. Christians often misunderstand their role in their nation and in impacting the leadership of their nation. As a result, many Christians have forfeited being salt and light in their culture and nation. This is the result of an effective demonic strategy to sideline the Church. This book will encourage and empower Christians to fulfill their calling to impact nations. **America**, 1911

The Meaning of Prayer Harry Emerson Fosdick, 1915
Harry Emerson Fosdick's investigation into prayer is presented as a course for the reader to undertake over a total of ten weeks that they become familiar with the truths, facets, and dimensions of praying. First published in 1917, this book continues to inspire and motivate many Christians to this day. We receive an explanation of what prayer is meant to accomplish, how it brings God's attention to the individual, and allows Him to give nurture and favor. Quotations in the Biblical scripture provide further clarity, showing the reader how prayer plays a crucial role in becoming closer to the Lord. Fosdick also accounts for the hardships that many who embark on prayer encounter. Keeping one's attention on God is important for evil thoughts and diversions can rob any Christian, even a seasoned believer, of the mindfulness required to pray correctly. The author determines that good deeds and thoughts between one's daily prayers are crucial lest the believer find himself astray. The author is careful to provide daily exercises spread over the course of ten weeks. Perfect for introducing structure to your daily observances or for discovering or returning to the Christian fold, this book offers readers a chance to develop their prayer and deepen their understanding of this vital practice. The conclusion of the book has a number of recommended works appended that the Christian may continue his investigations. *Leaves of Healing*, 1905 **Systematic Theology** Strong, 1886 *The priest's prayer book, ed. by two clergymen [R.F.
