In this lab, you learn how to use the TestOut simulator.

You are the IT administrator for a small corporate network. You are working on a computer in your office.

In this lab, your task is to complete the following:

- Add the monitor to the Workspace.
- Connect the monitor to the computer using the HDMI cable.
- Connect the power cord to the monitor and plug in the monitor.
- Turn on the monitor and the computer.

After you complete these tasks, explore the hardware and operating system interfaces within the lab. From the top navigation tabs, select Floor 1 Overview to view the rest of the office network. Select Score Lab when you are finished.
