More Marijuana Varieties from the World's Great Seed Breeders Ed Rosenthal, 2007-06 *The Big Book of Buds* Volume 3 showcases more than 80 new varieties from 24 marijuana breeders. It's the very first presentation of Wave 3 and 4 marijuana strains which are totally domesticated, high yielders bred to thrive in specific conditions and to produce an incredible range of highs. Back cover.

The Big Book of Buds Ed Rosenthal, 2004-10-31 *The Big Book of Buds* Volume 2 continues in the tradition of its predecessor by combining stunning full color photography with fun and clear descriptions of the characteristics that any gardener or connoisseur wants to know. With no strains repeated from Volume 1, this second volume supplements the first *Big Book of Buds* with another 100 of the latest and greatest marijuana strains commercially available in the world today. No other book brings together as much information for choosing or identifying specific marijuana strains. Each variety is described with quick reference icons for immediate overview and sorting. An engaging text description also helps the enthusiast distinguish the unique qualities of each strain, including appearance, ripening time, and growing characteristics, as well as smell, taste, and the texture of the high. Interspersed throughout the book are short, engaging essays that offer insights into botanical and cultural aspects of this controversial yet immensely popular plant. The practical information provides an indispensable reference for the grower, while the lush photographs and entertaining, insightful essays make this a great book for the casual browser as well.

Mystique Charlotte Douglas, 2012-01-17 *MAN OF MYSTERY* Desperate to learn the truth behind her sister's disappearance, Trish Devlin changed her name and went undercover at the exclusive Endless Sky resort, the last place her sibling was seen alive. Once there, the mystery deepened as Trish found herself curious about and highly drawn to her private guide turned bodyguard, O'Neill. The enigmatic man insisted she had nothing to fear from the mountain hideaway, but strange sounds in the night and hazy apparitions convinced Trish otherwise. Now, as the passing days generated more questions than answers, Trish vowed to bring her sister home and peel away the layers, keeping her man of mystery just out of reach.

The Fern's Whispering Network Preimere Griggs, 2025-10-23 *The Fern's Whispering Network* is a lyrical and deeply immersive collection of tales that invites readers into a world where ancient, interconnected energies bind all living things, and a creeping darkness threatens to unravel the delicate balance. At its heart is Elara, a rare and gifted whisperer uniquely attuned to the silent, profound language of ferns, a verdant network of ancient wisdom and environmental sentience. Her extraordinary journey begins when Old Man Willow, her gnarled, luminous fern, pulses with a frantic warning of the Shadowblight, an encroaching darkness emanating from the Kraken's Garden of Shadows. This isn't just a physical blight; it's a spiritual one, feeding on negativity and threatening to extinguish the very light of the world. Driven by her bond with the ferns and a deep sense of responsibility, Elara ventures into the submerged kelp forests, navigating treacherous underwater pathways guided only by the luminous whispers of the network. Her path leads her to face challenges that test her courage and empathy, from deciphering the mournful cries of an imprisoned octopus within a sunken clock to

offering solace to a despairing willow whose sorrow threatens to consume her and even calming a terrifying iceberg whose hidden heart holds a frozen ancient pain The book delves into profound themes of environmental guardianship the power of compassion and the interconnectedness of all life Elara learns that the Shadowblight cannot be defeated by force but by healing by understanding the roots of its darkness and by rekindling the light within Her ultimate quest leads her to a crystalline formation the fragile heart of the light tainted by the blight By channeling the warmth of a sunstone and her own unwavering hope she slowly mends the fractured crystal transforming it from a fragile bloom into a magnificent life giving star The Fern s Whispering Network is a compelling odyssey that combines thrilling ecological adventure with a deeply resonant narrative proving that the most profound strength lies not in domination but in connection in listening to the silent whispers of the natural world and in allowing the light of empathy to heal even the deepest shadows **Escapade** Evelyn Scott,1923 In 1913 at the age of nineteen Elsie Dunn later to be known as Evelyn Scott turned her back on the genteel Southern world she was born into and ran off to Brazil with a married Tulane University dean more than twice her age Living in tropical exile under assumed names the couple produced a son and endured a grueling series of hardships and failures that would provide Evelyn Scott with the raw material for a singular work of fictionalized autobiography That work published in 1923 amid expressions of mingled outrage and admiration from the critical establishment was Escapade **The Language of Light** Terrence Duffy,1897 Prohibition Orcs Michael Warren Lucas,2022-10-18 I love these stories Kristine Kathryn Rusch Hugo and Nebula award winning author of The Fey ELVES WENT INTO THE WEST TO AMERICA GENERATIONS LATER ORCS FOLLOWED 1927 Detroit Orcs fight Prohibition avoid police and labor hard for their children All while doing their best to navigate the narrow human world Men drive fancy Dodges and Cadillacs orcs squeeze into fourth hand Model Ts Dwarves dominate the skilled trades orcs push brooms And behind everything elves make it their life s work to deny orcs have worth To be an orc is to endure but when the world tries to deny even that an orc must act And Uruk Tai will do anything for his family This long demanded collection includes all the Prohibition Orcs tales Spilled Mirovar Final Gift Drowned Mirovar Witness November Degreased Hopes Woolen Torment and the never before published A Debt of Meat With an introduction by USA Today best selling author Robert Jeschonek **Consolation** Abraham Perry Miller,1886
