Enemy Gods

Oliver La Farge

Enemy Gods:

From the Enemy's Point of View Eduardo Viveiros de Castro,1992-07-15 For the Arawet the person is always in transition an outlook expressed in the mythology of their gods whose cannibalistic ways they imitate *Laughing Boy* Oliver La Farge,2025-01-01T09:01:00Z *Laughing Boy* is the name of a young Navajo man living in the American Southwest during the era when the Americans are pushing westward in earnest He s looking to find his way in the world and earn the respect of his tribe when he meets a mysterious and fiery young woman Slim Girl at a tribal meet Slim Girl was raised in an American Indian school a type of boarding school designed by missionaries to civilize the native population Her experiences there left her deeply resentful and this bitterness carries on in her approach to the world where *Laughing Boy* is optimistic respectful of tradition and comfortable with himself Slim Girl is calculating tough and secretive The two quickly fall in love but *Laughing Boy* s family warns against the union it seems that Slim Girl has a reputation that precedes her Despite the warning the two begin a life together in a way that blends the traditional with the new American before a dark secret in Slim Girl s past threatens their happiness The story is on its face a love story but La Farge uses the framework of a romance to explore much deeper questions of tradition native versus Western lifestyles and how the inexorable expansion of Americans into the West changed things for the civilizations living there La Farge was not just a novelist he was also an anthropologist who spent much of his career studying Native Americans the Navajo in particular His deep knowledge of their culture practices and language allows him to create a convincing air of authenticity in the narrative which went on to earn the Pulitzer Prize for Fiction in 1930 This book is part of the Standard Ebooks project which produces free public domain ebooks *Laughing Boy* Oliver La Farge,2004 Capturing the essence of the Southwest in 1915 Oliver La Farge s Pulitzer Prize winning first novel is an enduring American classic At a ceremonial dance the young earnest silversmith *Laughing Boy* falls in love with Slim Girl a beautiful but elusive American educated Navajo As they experience all of the joys and uncertainties of first love the couple must face a changing way of life and its tragic consequences *The City of God* Saint Augustine (of Hippo),1871 *Killing the god* James George Frazer,1900 *The Enemy Gods* Oliver La Farge,2010 In his first book the Pulitzer Prize winning novel *Laughing Boy* La Farge presented a superb lyrical story of Navajo Indian life He later returned to the Navajo scene with *The Enemy Gods* a richer deeper book than he had written before and its theme both an absorbing story and a living social document is nearer to his heart **The Tribes and Castes of the Central Provinces of India: pt. I. Introductory essay on caste. Articles on the religions and sects of the people of the Central Provinces. Glossary of minor castes and other articles, synonyms, subcastes, titles and names of exogamous septs or clans. Subject index** Robert Vane Russell,1916 **An Encyclopaedia of Buddhist Deities, Demigods, Godlings, Saints, and Demons with Special Focus on Iconographic Attributes** Fredrick W. Bunce,1994 *The Works of Aurelius Augustine, Bishop of Hippo: The city of God* Saint Augustine (of Hippo),1871 **Theosophical Quarterly** ,1916 *Donne's Sermons* John Donne,1919 **The**

American Journal of Semitic Languages and Literatures ,1921 **The Works of Aurelius Augustine** Saint Augustine
(of Hippo),1871 *The People's Bible* Joseph Parker,1892 **The Theosophical Quarterly** ,1916 *The Veda of the*
