Heaven Here I Come:

Lodestar Barbara M. Ferguson, 2017-12-20 This slim miscellany of verse is really a love story The love of God for man and our love for God and each other Intermingling together they exist from the dawn of time and will last forever Both kinds tell us we are beautiful unique and very precious and created for a purpose We are cared for we are important and supremely we are forgiven We belong to the One above and around us and also to each other and this kind of love gives empowerment It is all one Love and joy of the deepest purest kind as strong as death love that never dies **Heaven, Here I Come** Jean Darnall, 1978-03-01 **Year Book of the New York Southern Society** New York Southern Society, 1920 All I Have Is Me K.L. Smith, 2022-03-08 All I Have Is Me is a fictional novel that tells the story of how the Logan family grieves and suffers after their lives are broken and shattered by the loss of their teenaged daughter in an automobile accident The parents blame the death on their younger daughter Theresa who is driving the car The story is told from Theresa's viewpoint Life as Theresa has known it changes forever in a matter of seconds With the death of her older sister there is no longer any warmth happiness or love in the family's life Theresa is heavily burdened watching her parents' endless grief She becomes tired of being the recipient of the accusatory looks of disappointment and hurt from her parents She feels that no one cares if she lives or dies After a failed suicide attempt Theresa decides to do her best to stay out of her parents' way and bide her time until she can graduate from high school and leave home Upon high school graduation she joins the army because she has nowhere else to go The army provides all her basic needs for survival The army becomes her life for twenty years Theresa learns to exist and function without allowing herself to get emotionally involved in life After retirement from the military Theresa feels a need to put down roots She stumbles upon an old dilapidated farm cottage in a small community She feels a connection to the empty cottage that no one cares for or loves Theresa finds that as she repairs the flaws and cracks in the old cottage and brings it back to life she is also repairing the flaws and cracks in her own life She renews her faith in God By accepting love from others the story tells how Theresa is able to find joy and beauty in living as she allows herself to love forgive herself and learn to live again Rupture Sampurna Chattarji, 2009-06-12 What would you do if the world were about to end She is running on dream walkways into the day that will dawn bright like any other hanging by a thread on a piece of news a pendulum swinging from now to then before to after panic to peace to panic capital to city city to suburb remembering to forgetting In the course of twenty four hours nine characters across five cities are faced with a pressing need to examine their past As each of them confronts the realities within the world itself explodes into chaos the disintegration of civic order mirroring the breakdown of individual sanities A powerful first novel from a critically acclaimed poet translator and fiction writer Rupture is a book in which every word every emotion resonates with a heightened sense of intensity Sampurna Chattarji brings to her writing a poetry and potency that is rare and the sheer pace of the narrative pulls the reader in with its urgency *The Works of W. Fenner* William FENNER (B.D.), 1657 **Practicing Oral History**
