The Great Disappearance Dr. David Jeremiah, 2023-10-03 An Instant Wall Street Journal USA Today and Publishers Weekly Bestseller The rapture is the central event in biblical prophecy But what does it mean for us today How can this crucial end times event draw us nearer to God in a world that is seemingly on the brink of chaos Political turmoil economic uncertainty an ideological divide that feels increasingly impassable the signs of the times point us toward the end and that can be disconcerting But the greatest truth about the rapture is not its timing but its reality for blessed are all who long for His appearing The Great Disappearance is a culmination of decades of Dr Jeremiah studying end times throughout the Bible In this definitive volume he will explain the meaning of the word rapture the difference between the rapture and the second coming and the joy of expecting our Savior to come at any given moment Dr Jeremiah will also explore key questions such as Who will be raptured When will it happen What will happen to those left behind What will believers experience when they are taken away to heaven Will non believers still have time to repent and be

saved Dr Jeremiah seeks to answer all of those questions and many more not with sensationalism or stories ripped from the headlines but with solid biblical truth Because God has laid out His plan for us in His Word so that we might not be caught unaware We may not know the exact date that the rapture will happen but we do know it will happen Are you ready for it Interested in learning more Don t miss out on The Great Disappearance Study Guide and be sure to check out other books by Dr David Jeremiah The Book of Signs Where Do We Go from Here The World of the End Living with Confidence in a Chaotic World Is This The End After the Rapture The Great Disappearance Study Guide Heaven, Texas Susan Elizabeth Phillips,1995 Frameworks James Regan,Phillip Guerra,2011-04-28 Dr Decker a brilliant Nanotechnologist and Virtual Reality Engineer is suddenly tapped by the government to help them on one of their Top Secret projects Seeing this as a lucrative promotion and an opportunity to work with the latest advancements in his field he decided to accept their offer Little did he know that he was about to take a journey into a new reality As time moved on he went from the excitement of seeing how far mankind had progressed to the horrors of the high price that man would pay to get there No man or woman had ever dreamt of the dangers inherent in the interweavement of human potential with good and evil dangers that resulted in the ultimate hijacking of the human mind *Type and Motif-Index of the Folktales of England and North America* Ernest W.
