## Hebrew Goddess:

*The Hebrew Goddess* Raphael Patai,1990 A revised edition containing new chapters on the Shekhina The Hebrew Goddess demonstrates that the Jewish religion far from being pure monotheism contained from earliest times strong polytheistic elements chief of which was the cult of the mother goddess Lucidly written and richly illustrated this third edition contains new chapters of the Shekhina **Asherah** Richard J. Pettey,1990 Recent archaeological discoveries have suggested that there was a Canaanite goddess who was not only worshipped by the people of ancient Israel during the time of the monarchy 1000 587 B C E but who was so much associated with Yahweh as to be construed as Yahweh s consort This book investigates the goddess Asherah Exploring her ancient Canaanite backgrounds sets the stage for an exhaustive study of the biblical references to Asherah This study examines each of the forty references in detail An archaeological section lends corroborating evidence This book defends the proposition that Asherah was indeed worshipped by the people of Israel offering the biblical texts as the primary evidence Goddesses in Myth and Cultural Memory Emilie Kutash,2021-04-22 How have the goddesses of ancient myth survived prevalent even now as literary and cultural icons How do allegory symbolic interpretation and political context transform the goddess from her regional and individual identity into a goddess of philosophy and literature Emilie Kutash explores these questions beginning from the premise that cultural memory a collective cultural and social phenomenon can last thousands of years Kutash demonstrates a continuing practice of interpreting and allegorizing ancient myths tracing these goddesses of archaic origin through history Chapters follow the goddesses from their ancient near eastern prototypes to their place in the epic poetry drama and hymns of classical Greece to their appearance in Platonic and Neoplatonic philosophy Medieval allegory and their association with Christendom Finally Kutash considers how goddesses were made into Jungian archetypes and how some contemporary feminists made them a counterfoil to male divinity thereby addressing the continued role of goddesses in perpetuating gender binaries *Sarai* Dvora Lederman-Daniely,2021-06-29 Who was the mother goddess of the ancient religion of Israel the spouse of the god Yahweh Archaeological and literary biblical studies refer to her as Asherah yet they cannot explain why this name is not mentioned in the book of Genesis a book that portrays the formation of Israel s religion In this groundbreaking book Dvora Lederman Daniely provides an answer to this enigmatic question Based on meticulous research she argues the goddess s name does appear in the book of Genesis but it is concealed within the name of the first human matriarch of the people of Israel Sarai Deciphering and identifying the forgotten and censored name of the divine spouse of Yahweh opens the door to a revolutionary understanding of the relationship between Yahweh and the people of Israel as perceived during the formation of the Hebrew people Moreover biblical images and metaphors are stripped back and their outrageous mythological content is laid bare Through careful argument Lederman Daniely excavates the very origins of Jewish customs and decrees exposing how they embody the ancient worship of a goddess who was Yahweh s spouse When God Had a Wife Lynn Picknett,Clive

Prince, 2019-12-10 Reveals the tradition of goddess worship in early Judaism and how Jesus attempted to restore the feminine side of the faith Provides historical and archaeological evidence for an earlier form of Hebrew worship with both male and female gods including a 20th century discovery of a Hebrew temple dedicated to both Yahweh and the warrior goddess Anat Explores the Hebrew pantheon of goddesses including Yahweh's wife Asherah goddess of fertility and childbirth Shows how both Jesus and his great rival Simon Magus were attempting to restore the ancient goddess worshipping religion of the Israelites Despite what Jews and Christians and indeed most people believe the ancient Israelites venerated several deities besides the Old Testament god Yahweh including the goddess Asherah Yahweh's wife who was worshipped openly in the Jerusalem Temple After the reforms of King Josiah and Prophet Jeremiah the religion recognized Yahweh alone and history was rewritten to make it appear that it had always been that way The worship of Asherah and other goddesses was now heresy and so the status of women was downgraded and they were blamed for God's wrath However as Lynn Picknett and Clive Prince reveal the spiritual legacy of the Jewish goddesses and the Sacred Feminine lives on Drawing on historical research they examine how goddess worship thrived in early Judaism and included a pantheon of goddesses They share new evidence for an earlier form of Hebrew worship that prayed to both male and female gods including a 20th century archaeological discovery of a Hebrew temple dedicated to both Yahweh and the goddess Anat Uncovering the Sacred Feminine in early Christianity the authors show how in the first century AD both Jesus and his great rival Simon Magus were attempting to restore the goddess worshipping religion of the Israelites The authors reveal how both men accorded great honor to the women they adored and who traveled with them as priestesses Jesus's Mary Magdalene and Simon's Helen But as had happened centuries before the Church rewrote history to erase the feminine side of the faith deliberately ignoring Jesus's real message and again condemning women to marginalization and worse Providing all the necessary evidence to restore the goddess to both Judaism and Christianity Picknett and Prince expose the disastrous consequences of the suppression of the feminine from these two great religions and reveal how we have been collectively and instinctively craving the return of the Sacred Feminine for millennia

**History's Vanquished Goddess** Darlene Kosnik, 2014-02-10 God's Wife the Goddess Asherah Wife of Yahweh Although a disconcerting notion to some a galaxy of ancient artifacts reveals that goddess worship existed in Ancient Israel and that Asherah was but one of Yahweh's wives Following a trail of archaeological discoveries the forgotten story of God's wife the quintessential Hebrew Mother Goddess Asherah is slowly reconstructed in this extensive study with over 550 archaeological drawings and 1 183 references Mentioned over 40 times in the Hebrew Bible the archaeological evidence identifies Asherah as Yahweh's primary wife and reveals she is the only surviving goddess in Palestine by the end of the 7th 6th centuries BCE Asherah's stunning history unfolds as the shovels of archaeology resurrect what the pens of history forgot A subject pioneered by Raphael Patai's *The Hebrew Goddess* 1967 and William G Dever's *Did God Have a Wife* *Archaeology and Folk Religion in Ancient Israel* 2005 *A Psychoanalytic History of the Jews*

Avner Falk,1996 This includes the evolution of the Hebrew religion as a projective response to the inner conflicts produced by the human family the sociopsychological development of the Israelite kingdoms in Canaan the fascinating duality of Jewish life in the Diaspora and the emotional ties of the Jews to their idealized motherland from the Babylonian exile to modern political Zionism The Engendering God Carl A. Raschke,Susan Doughty Raschke,1995-01-01 Asserts the religious equality of men and women woven throughout both the Jewish and Christian traditions **The Hebrew Goddess** Raphael Patai,1900 **The Cult of Asherah in Ancient Israel and Judah** Judith M. Hadley,2000-06-09 Recent archaeological discoveries have encouraged scholars to reinvestigate the Israelite religion In this book Judith Hadley uses these discoveries alongside biblical material and non biblical inscriptions to examine the evidence for the worship of Asherah as the partner of God in the Bible By investigating the Khirbet al Qom and Kuntillet Ajrud inscriptions for example where the phrase Yahweh and his Asherah is frequently in evidence the author asks what the ancient Israelites meant by this how they construed the relationship between Yahweh and Asherah and whether in fact the term actually referred to an object of worship rather than to a goddess The author also evaluates more recent scholarship to substantiate her conclusions This is a detailed and brilliant study which promises to make a significant contribution to the ongoing debate about the exact nature of Asherah and her significance in pre exilic Israel and Judah Ancient Goddesses Lucy Goodison,Christine Morris,1998 The nurturing Earth Goddess the Great Mother worshipped at the dawn of civilization historical fact or consoling fiction While Goddess mythologies proliferate and the public devours books by artists psychotherapists and enthusiastic amateurs it is remarkable that those in the field of prehistory have remained largely silent Did Goddess worship really exist What actually remains from the earliest cultures and what can it tell us What can we learn about the early stages of human religion from the study of prehistoric carvings pictures pottery figurines and temples In Ancient Goddesses historians and archaeologists write accessibly about this intriguing and controversial topic for the first time Considering a number of significant early civilizations Predynastic and Early Dynastic Egypt Old Europe Early North West Europe Celtic civilization the Prehistoric Aegean Malta the Ancient Near East Old Testament Israel atal h y k and Archaic Greece these experts review the most recent evidence so that readers can make up their own minds Contributors include Ruth Tringham and Margaret Conkey University of California Berkeley Lynn Meskell New College Oxford Fekri Hassan University College London Karel van der Toorn University of Amsterdam Joan Westenholz Bible Lands Museum Jerusalem Elizabeth Shee Twohig University College Cork Caroline Malone New Hall Cambridge Mary Voyatzis University of Arizona and Miranda Green University of Wales College Feminist Reconstructions of Christian Doctrine Kathryn Greene-McCreight,2000 What is the relationship between feminist theology and classical Christian theology Is feminist theology Christian and if so in what respect and to what extent This study seeks to analyze and evaluate the relation of feminist reconstructions to traditional Christian teaching Greene McCreight uses the extent to which the biblical depiction of God is allowed to guide theological hermeneutics as a test of

orthodoxy She looks at the writings of a wide range of contemporary feminist theologians discusses their doctrinal patterns and demonstrates how the Bible is used in undergirding their theological reconstructions      **On Jewish Folklore** Raphael Patai,2018-02-05 The essays collected in this volume some of which are presented for the first time in English translation provide a rich harvest of Jewish customs and traditional beliefs gathered from all over the world and from ancient to modern times On Jewish Folklore spans a half century of scholarly inquiry by the noted anthropologist and biblical scholar Raphael Patai He essays collected in this volume some of which are presented for the first time in English translation provide a rich harvest of Jewish customs and traditional beliefs gathered from all over the world and from ancient to modern times Among the subjects Dr Patai investigated and recorded are the history and oral traditions of the now vanished Marrano community of Meshhed Iran cultural change among the so called Jewish Indians of Mexico beliefs and customs in connection with birth the rainbow and the color blue Jewish variants of the widespread custom of earth eating and the remarkable parallels between the rituals connected with enthroning a new king as described in the Bible and as practiced among certain African tribes      **American Journal of Urology, Venereal and Sexual Diseases** ,1918      *American Journal of Urology and Sexology* Henry G. Spooner,1918      Goddesses in World Mythology Martha Ann,Dorothy Myers Imel,1993-06-30 This dictionary focuses on more than 9 500 goddesses from hundreds of cultures around the world      **I Will Love Unloved** Jennifer J. McKenzie,1994 This book uses Hebrew Greek and English texts to show that there was once an inclusive and a feminist point of view within the Biblical text and that these points of view were subsequently obscured McKenzie explains the dynamics of the feminine interaction between Goddess religions and the Hebrew and Christian religions Contents The Bible Growth and Development of Concepts Matriarchies Patriarchies ELoHIM Her Story God is Not Male Num 23 19 Your People My People Your ELoHIM My ELoHIM You Despised Me and Have Taken the Wife Queen of Heaven Prophetess Women and Queens Baalath Ashtart and Wisdom She Susanna Sara and Sexual Mores Hebrew Heroines Into My Mother s House I AM ELoHIM Understands Her Way Men Are Not Women Mighty Wisdom She When in Doubt Write Women Out Generations Will Call Me Blessed Daughter Your Faith Has Healed You In Her Memory Vindicate Me from My Opponent I Am the Light Your Daughters Will Prophesy You for Freedom Were Called The Vision Lost Wings of the Eagle Appendix Bibliography Index      **The Westminster Review** ,1896      The Pentateuch: a Historical Record William Turnbull Pilter,1928      **The Independent** Leonard Bacon,Joseph Parrish Thompson,Richard Salter Storrs,Joshua Leavitt,Henry Ward Beecher,Theodore Tilton,Henry Chandler Bowen,William Hayes Ward,Hamilton Holt,Fabian Franklin,Harold de Wolf Fuller,Christian Archibald Herter,1928

Ignite the flame of optimism with Crafted by is motivational masterpiece, Fuel Your Spirit with **Hebrew Goddess** . In a downloadable PDF format ( \*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
