Hebrew Iliad:

The Hebrew Iliad. The History of the Rise of Israel Under Saul and David. Written During the Reign of Solomon, Probably by the Priest Ahimaaz. Translated from the Original Hebrew by Robert H. Moss, 2010-02-28 Between 1917 and 1921 as revolution convulsed Russia Jewish intellectuals and writers across the crumbling empire threw themselves into the pursuit of a Jewish renaissance Here is a brilliant revisionist argument about the nature of cultural nationalism the relationship between nationalism and socialism as ideological systems and culture itself the axis around which the encounter between Jews and European modernity has pivoted over the past century *The Character of David in Judaism, Christianity and Islam* ,2021-11-29 King David if one of the most central figures in all of the major monotheistic traditions He generally connotes the heroic past of the more imagined than real ancient Israelite empire and is associated with messianic hopes for the future Nevertheless his richly ambivalent and fascinating literary portrayal in the Hebrew Bible is one of the most complex of all biblical characters This volume aims at taking a new critical look at the process of biblical creation and subsequent exegetical transformation of the character of David and his attributed literary composition the Psalms with particular emphasis put on the multilateral fertilization and cross cultural interchanges among Jews Christians and Muslims Biblica , The Living Church ,1957 *Was Achilles a Jew?* Larry S.
