Trebek,2014-07-06 If ever a person demonstrated the unstoppable power of Spirit Helen Keller would certainly be an outstanding model On June 27 1880 Helen Adams Keller was born in Tuscomb Alabama Having lost her sight and hearing ability at the age of 19 months she learned with the help of her remarkable teacher and friend Anne Sullivan how to communicate and what a truly prolific communicator she became Keller was well educated and at the age of 24 she graduated cum laude from Radcliffe College During her years of study there Keller authored the first of her twelve books entitled The Story of My Life which was later made into a movie called The Miracle Worker Despite her physical disabilities Helen Keller consistently demonstrated enlightened intelligence courage and astute optimism Helen Keller dedicated her life to making a strikingly positive difference in the world She was known for being an outspoken activist for change in the laws surrounding women s rights people with various disabilities social justice ships and labor rights Helen was an avid animal lover a member of the Socialist Party of America and the Industrial Workers of the World Her accomplishments were recognized worldwide In the states she received the Theodore Roosevelt Distinguished Service Medal 1936 the Presidential Medal of Freedom 1964 and in 1965 she was elected to the Women s Hall of Fame Harvard University and Temple University also awarded her honorary doctoral degrees Internationally she was named an Honorary Fellow of the Educational Institute of Scotland and received honorary degrees from the universities of Delhi India Berlin Germany Glasgow Scotland and Witwatersrand in Johannesburg South Africa For this and so much more she is truly an inspiring iconic being At the end of her life she suffered a series of strokes and on June 1 1968 she passed away in her sleep at her home in Connecticut Our goal with this book is to bring the words and knowledge of Helen Keller into everyone s life piece by piece little bit by little bit But our vision does not end there and Keller is not the only source for a further opened mind you are The second key component is your journaling The design of this book intends for Keller to be highlighted for a moment of each day and for you to take a moment in your own often busy schedule to highlight yourself by journaling in the accompanying pages **The Story of My Life** Helen Keller,2014-06-28 The Story of My Life by Helen Keller With Her Letters 1887 1901 and Supplementary Account of Her Education Including Passages from the Reports and Letters of her Teacher Anne Mansfield Sullivan By John Albert Macy Special Edition Top 100 books Biography Containing Additional Chapters by Helen Keller and a Supplementary Account of Helen Keller s Life and Education It is with a kind of fear that I begin to write the history of my life I have as it were a superstitious hesitation in lifting the veil that clings about my childhood like a golden mist The task of writing an autobiography is a difficult one When I try to classify my earliest impressions I find that fact and fancy look alike across the years that link the past with the present The woman paints the child s experiences in her own fantasy A few impressions stand out vividly from the first years of my life but the shadows of the prison house are on the rest Besides many of the joys and sorrows of childhood have lost their poignancy and many incidents of vital importance in my early education have been forgotten in the excitement of great discoveries In order therefore not to be tedious I shall try to present in a series of

sketches only the episodes that seem to me to be the most interesting and important I was born on June 27 1880 in Tuscumbia a little town of northern Alabama The family on my father s side is descended from Caspar Keller a native of Switzerland who settled in Maryland One of my Swiss ancestors was the first teacher of the deaf in Zurich and wrote a book on the subject of their education rather a singular coincidence though it is true that there is no king who has not had a slave among his ancestors and no slave who has not had a king among his My grandfather Caspar Keller s son entered large tracts of land in Alabama and finally settled there I have been told that once a year he went from Tuscumbia to Philadelphia on horseback to purchase supplies for the plantation and my aunt has in her possession many of the letters to his family which give charming and vivid accounts of these trips
