**Safire's Political Dictionary** William Safire, 2008-03-31 When it comes to the vagaries of language in American politics its uses and abuses its absurdities and ever shifting nuances its power to confound obscure and occasionally to inspire William Safire is the language maven we most readily turn to for clarity guidance and penetrating sometimes lacerating wit Safire's Political Dictionary is a stem to stern updating and expansion of the Language of Politics which was first published in 1968 and last revised in 1993 long before such terms as Hanging Chads 9 11 and the War on Terror became part of our everyday vocabulary Nearly every entry in that renowned work has been revised and updated and scores of completely new entries have been added to produce an indispensable guide to the political language being used and abused in America today Safire's definitions discursive historically aware and often anecdotal bring a savvy perspective to our colorful political lingo Indeed a Safire definition often reads like a mini essay in political history and readers will come away not only with a fuller understanding of particular words but also a richer knowledge of how politics works and fails to work in America From Axis of Evil Blame Game Bridge to Nowhere Triangulation and Compassionate Conservatism to Islamofascism Netroots Earmark Wingnuts and Moonbats Slam Dunk Doughnut Hole and many others this language maven explains the origin of each term how and by whom and for what purposes it has been used or twisted as well as its perceived and real significance For anyone who wants to cut through the verbal haze that surrounds so much of American political discourse Safire's Political Dictionary offers a work of scholarship wit insiderhood and resolute bipartisanship The Bull Dog, 1919 Modern Proverbs and Proverbial Sayings Bartlett Jere Whiting, 1989 A collection of British and American proverbs that are currently in use

**Public Service Magazine**, 1930 High Adventure James Norman Hall, 1918 It was on a cool starlit evening early in September 1916 that I first met Drew of Massachusetts and actually began my adventures as a prospective member of the Escadrille Am ricaine We had sailed from New York by the same boat had made our applications for enlistment in the Foreign Legion on the same day without being aware of each other's existence and in Paris while waiting for our papers we had gone every evening for dinner to the same large and gloomy looking restaurant in the neighborhood of the Seine As for the restaurant we frequented it not assuredly because of the quality of the food We might have dined better and more cheaply elsewhere But there was an air of vanished splendor of faded magnificence about the place which in the capital of a warring nation appealed to both of us Every evening the tables were laid with spotless linen and shining silver The wineglasses caught the light from the tarnished chandeliers in little points of color At the dinner hour a half dozen ancient serving men silently took their places about the room There was not a sound to be heard except the occasional far off honk of a motor or

the subdued clatter of dishes from the kitchens The serving men even the tables and the empty chairs seemed to be listening to be waiting for the guests who never came Rarely were there more than a dozen diners out during the course of an evening There was something mysterious in these elaborate preparations and something rather fine about them as well but one thought not without a touch of sadness of the old days when there had been laughter and lights and music sparkling wines and brilliant talk and how those merrymakers had gone many of them long ago to the wars **Dialect Notes ...** ,1917
