hello Me / ???? ?? Swati Gandhi/ ?????? ??????,2025-06-13 What this hello Me book is all about There are many things people places and moments in life that we deeply love But unfortunately in the hustle and bustle of everyday life we often forget one important thing and that is to love ourselves immensely At some beautiful moment in life we happily decide that yes from today in fact from this very moment we will start falling in love with ourselves But perhaps within just a few days that passion starts to fade So on this journey of coming face to face with ourselves we need a few mediums that can from time to time reignite that passion within us This book is a small such medium a way to keep your connection with your soul alive And maybe it doesn't need to be read every day But yes at some point in life when you feel that challenges fears doubts others expectations or your own self-imposed boundaries are eagerly waiting for you then with hope and belief this book can become a support system helping you gather 250 grams of self-love and a dash of courage and strength just as needed Not just best wishes but advance congratulations to you for the soulful dance and its soaring flight In full faith so be it Swati Gandhi
