## Hebrew Through Prayer 2:

□□□□ Behrman House, Terry Kaye, 2002-04 Hineni The New Hebrew Through Prayer 2 continues study of the prayer service with the Shabbat morning Amidah and selected prayers for Friday night Students learn over 90 key prayer words and 30 roots prefixes and suffixes as they explore the meaning of the blessings of the Amidah Avot Avot Ve imahot G vurot K dushah Hoda ah Birkat Shalom Oseh Shalom and prayers and songs for Friday night L chah Dodi V shamru Shalom Aleichem Each prayer begins with a friendly and accessible motivational introduction Then students examine the themes of each prayer and relate each theme to their own experiences and lives Hineni 2 explores relevant Jewish values and shows how those values underlie the meaning of the prayers It also uses challenging analytical questions to encourage students to think critically about the prayers and the activity of praying For example in regard to the Kedushah Rising up on our toes is a physical way of trying to come closer to God Can you think of another nonphysical way you might come closer to God

What is the post exilic Israelites destiny What should they have hoped for How could they actualize their desired community This book discusses the identity of the post exilic Israelite community by focusing on the unique rhetorical impetus in the book of Chronicles Chronicles suggests a picture of the desired future Israel Yet the Chronicler does not call for a new identity creation ex nihilo from the community but calls for the restoration of the Israelites past identity by reporting the history of Israel and Judah The restoration of their past identity can be actualized when members of the community fulfill portrayed roles and characteristics in Chronicles worshiping monotheistic believing and praying and Davidic citizenship Further recorded prayer plays a crucial role as Chronicles persuades its readers to render or exhibit those roles and characteristics Prayer invites the community members to participate so that they transform past prayers into their own prayers By doing so the prayer participants perceive portrayed roles and characteristics and change their attitude By rendering and exhibiting desired roles and characteristics they eventually hope for and actualize a better community the liturgical community
