Sebastian Brünink

Hellenistic Rhodes:

Rhodes in the Hellenistic Age Richard M. Berthold, 2018-10-18 This book offers a detailed political history of Rhodes from the foundation of the Rhodian republic in the fifth century B C to the conclusions of Rhodes alliance with Rome in the second a period in which Rhodes was a major Mediterranean power Richard M Berthold provides a complete account of Rhodian foreign affairs exploring the principles and reasons behind Rhodes foreign policy decisions He traces Rhodes history through the stormy years of the fourth century to the independence and prosperity of the third arguing that Rhodes achieved economic and political success by pursuing a course of studied neutrality Berthold maintains that Rhodes did not willfully abandon its neutral stance during the second century but rather was forced by events to support Rome a posture that ultimately led to Rhodes loss of independence

Hellenistic Rhodes Vincent Gabrielsen, 1999 Rhodes was founded more than 2 400 years ago yet our fascination for this prosperous trading center continues across the millennia One of the most beautiful cities ever built Rhodes had a profound influence on the Roman and subsequent western civilization Hellenistic Rhodes introduces the latest research carried out by European scholars Individual chapters approach various aspects of the politics culture and society of Rhodes and its sphere of influence from historical archaeological and philosophical perspectives These multidisciplinary essays center on the Rhodian demes relations between Rhodes and the Rhodian Peraia the relations between Rhodes and Caria Rhodes and Lycia in Hellenistic times the marginalization of Crete in Greek thought the role of piracy in the outbreak of the First Cretan War and the Eastern Mediterranean wine trade Also considered is the evidence from Rhodian amphorae of the trade between Rhodes and Alexandria pottery and jewelry from Rhodian graves and aspects of Rhodian tombs A final essay discusses the importance of the transformation of stoicism by Panaetius and Posidonius This final volume of the series *Studies in Hellenistic Civilization* continues the vibrant record of the contemporary interest in and success with uncovering the details of a remarkable time and place

The Naval Aristocracy of Hellenistic Rhodes Vincent Gabrielsen, 1997 This study posits that the distinction of Hellenistic Rhodes exemplified by economic prosperity internal stability military might and high political esteem among foreign powers can be directly linked to the naval aristocracy The book contends that a constantly publicised pride in naval experience was paramount to the self perception of the upper class It was the basis of their role in the military political and commercial infrastructure By analysing the role of the wealthy who personally owned the ships used both for warfare and commerce their financial responsibility for personnel and the ramifications of this power Gabrielsen explains the organisation of the society as a whole By providing economic security the aristocracy promoted domestic peace that in turn allowed for expansion overseas thereby re securing their own power and labour forces The navy safeguarded mercantile routes

Politics of Association in Hellenistic Rhodes
Thomsen Christian Thomsen, 2020-07-09 A new perspective on political organisation in Hellenistic Rhodes and the ancient Greek citystate The first comprehensive study of Rhodes in more than 20 years and one of the few books dedicated to a single

Hellenistic city state Introduces the reader to Hellenistic Rhodes an important but also remarkably understudied city state of the ancient Greek and Roman world Challenges traditional assumptions about political organization in the ancient Greek city state Documents the existence of an alternative conception of the ancient Greek city state which will inspire new approaches to the study of the ancient Greek city state politics and society Christian Thomsen offers a study of political institutions on the island state of Rhodes an important power in the eastern Mediterranean and the first city of the Hellenistic world Using Aristotle's notion of the polis as an association of associations as its point of departure Thomsen provides an analysis of political institutions taking a broader view of what constitutes an institution than traditional studies of the ancient Greek city state Among the institutions surveyed are the family civic subdivisions such as tribes and demes as well as private associations He argues that these organisations served as important junctions in the networks of political elites and shaped the political landscape of Hellenistic Rhodes

Politics of Association in Hellenistic Rhodes Christian A.

Thomsen, 2020-07-09 Christian Thomsen offers a study of political institutions on the island state of Rhodes an important power in the eastern Mediterranean and the first city of the Hellenistic world

Encyclopedia of Greece and the Hellenic

Tradition Graham Speake, 2021-01-31 Hellenism is the living culture of the Greek speaking peoples and has a continuing history of more than 3 500 years The Encyclopedia of Greece and the Hellenic Tradition contains approximately 900 entries devoted to people places periods events and themes examining every aspect of that culture from the Bronze Age to the present day The focus throughout is on the Greeks themselves and the continuities within their own cultural tradition Language and religion are perhaps the most obvious vehicles of continuity but there have been many others law taxation gardens music magic education shipping and countless other elements have all played their part in maintaining this unique culture Today Greek arts have blossomed again Greece has taken its place in the European Union Greeks control a substantial proportion of the world's merchant marine and Greek communities in the United States Australia and South Africa have carried the Hellenic tradition throughout the world This is the first reference work to embrace all aspects of that tradition in every period of its existence

Religious Life in Late Classical and Hellenistic Rhodes Juliane

Zachhuber, 2024-07-10 The ancient state of Rhodes was famous for many things in the Hellenistic period it emerged as an economic powerhouse thanks to its strategic position on maritime trade routes its status further bolstered by its proud independence in an era of great kings and its cultural successes and heritage celebrated by contemporaries as well as later writers But what did this state look like on the inside and what social and religious forces contributed to its success This book explores the origins of the Rhodian state in the late fifth century BC a union born out of three separate city states Lindos Cameiros and Ialysos By digging deep into the abundant epigraphic culture that survives narratives emerge that tell the stories of these Rhodians and their communities Despite the political unification and the foundation of a famed and

successful capital city Rhodes town the three old centres continued to exhibit distinctive and seemingly lively local religious cultures What these looked like and the question of whether they indicate cultic vitality rather than ossification is considered in detail by examining the local pantheons and the religious dynamics and interactions that characterised and shaped them Pulling together the diverse threads and local customs a diachronic religious history of Rhodes is sketched The role religion played in the social landscape of Hellenistic Rhodes is addressed through a thorough examination of priesthoods Finally providing a counterbalance to the institutional side of religion the lived experience of Rhodian religious associations is depicted The resulting picture offers a nuanced insight into the religious life and history of a Hellenistic city state

Greek and Roman Networks in the Mediterranean Irad Malkin,Christy Constantakopoulou,Katerina Panagopoulou,2013-09-13 How useful is the concept of network for historical studies and the ancient world in particular Using theoretical models of social network analysis this book illuminates aspects of the economic social religious and political history of the ancient Greek and Roman worlds Bringing together some of the most active and prominent researchers in ancient history this book moves beyond political institutions ethnic and geographical boundaries in order to observe the ancient Mediterranean through a perspective of network interaction It employs a wide range of approaches and to examine relationships and interactions among various social entities in the Mediterranean Chronologically the book extends from the early Iron Age to the late Antique world covering the Mediterranean between Antioch in the east to Massalia Marseilles in the west This book was published as two special issues in *Mediterranean Historical Review*

Democracy Beyond Athens Eric W. Robinson,2011-09-22 First full study of ancient Greek democracy in the Classical period outside Athens which has three main goals to identify where and when democratic governments established themselves to explain why democracy spread to many parts of Greece and to further our understanding of the nature of ancient democracy

Rhodes After Antiquity Charles River Charles River Editors,2018-05-04 Includes

pictures Includes contemporary accounts Includes online resources and a bibliography for further reading In the Archaic and Classical periods Rhodes often stood as a prime exemplar of the highs and lows of its fellow Greek cities and as the largest island of the Dodecanese Rhodes history is largely in line with that of the rest of those islands Rhodes was first colonized by the Greeks of the Dorian tribe around the 8th century BCE and it aligned with its fellow Dorian cities on the surrounding islands and the mainland of Asia Minor to form the so called Doric Hexapolis Rhodes would reach the zenith of its power in the Hellenistic period following the death of Alexander the Great in 323 BCE Even as the rest of the city states waned compared to the much larger kingdoms of Alexander s successors in Egypt and Asia Rhodes would come to the forefront as a main power in the Greek world standing toe to toe with these Hellenistic kingdoms Rhodes was for a time the foremost naval power in the Eastern Mediterranean and one of the most powerful and richest cities in the world It was during this time that the Colossus of Rhodes one of the Seven Wonders of the Ancient World was built on the island to celebrate Rhodes equally monumental triumph over the armies of Demetrius the Besieger Rhodes also gained a foothold on other islands and an extensive presence in Asia Minor With the rise of Rome Rhodes along with the rest of the Greek world lost power and it was gradually integrated into the Roman sphere of influence as an ally before finally being annexed into the empire but after the partition and collapse of the ancient Roman Empire in the Middle Ages Rhodes would share in both the fortunes and vicissitudes of Rome s successor state the Byzantine Empire Along with the Byzantines Rhodes would face off first against the Arabs from the East and then European Crusaders from the West As the Byzantine Empire continued to lose power and chaos spread in its former holdings Rhodes would eventually be occupied by the Knights Hospitaller an order of Crusading knights who initially arrived on the island while retreating from the Holy Land These knights would hold on to Rhodes for over 200 years making it the headquarters of their unique military economic and piratical empire It became a bastion of Christendom and a reminder of the former power of the Crusaders in an Eastern Mediterranean region increasingly dominated by Islam When the Rhodian castle of the knights still standing today finally fell to the Ottoman Turks in 1522 Rhodes entered a long period of Turkish rule that lasted almost 400 years It was only in 1948 after successive and brief Italian German and British occupations that the island was finally united with the modern Greek state To this day thanks to its impressive archaeological sites Rhodes still bears the indelible marks of its storied past Rhodes after Antiquity The History and Legacy of the Famous Greek Island in the Middle Ages and the Modern Era examines the history of one of the most crucial locations in the Mediterranean Along with pictures depicting important people places and events you will learn about Rhodes like never before

Hellenistic Rhodes Introduction

In the digital age, access to information has become easier than ever before. The ability to download Hellenistic Rhodes has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Hellenistic Rhodes has opened up a world of possibilities. Downloading Hellenistic Rhodes provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Hellenistic Rhodes has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Hellenistic Rhodes. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Hellenistic Rhodes. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Hellenistic Rhodes, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Hellenistic Rhodes has transformed the way we access information. With the convenience, cost-effectiveness,

and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
