Finding My Way:

Finding My Way Home John Houston,2021-04-20 After many years of searching John Houston found his way home his true home Now he wants to help you do the same John Houston has spent the past sixteen years building for others what he didn't always have for himself growing up a family home Today John is one of the premier custom home builders in Texas Throughout the Dallas Fort Worth area you see signs proudly presenting John Houston Custom Homes that paint a picture of the kind of home life John would have done anything to have as a child From a young age home was not a place where John wanted to be After his parents divorced and his mother moved out his father remarried and moved in with his new family John and his older brother struggled to adjust and began living by themselves with little to no adult supervision at the ages of 11 and 15 They helped support themselves financially by working long hours running a lawn care business before and after school The years that followed were challenging but also marked by God's protection even when John didn't realize it as he overcame hardships that could have permanently derailed his life He met and married the woman of his dreams completed his education and became a respected and successful business owner And he isn't confused for one second about who's ultimately responsible for his success God In Finding My Way Home John Houston reflects on a life of trials hardships and painful mistakes through the lens of gratitude for God's enduring faithfulness He explains God created a story with my life that puts a spotlight on His mercy and grace a story of my anger and His forgiveness of the broken family I grew up in and His restoration of my demanding leadership as a husband and father and His model for me to lead with love

Finding My Way Home Reddy Suzwe,2010-03 I had asked the ultimate question what is Life before and so now my prayers were being answered I was about to find out for myself Never imagined this is how God was going to capture my heart but he did and so the journey begun This provided insight on how God healed my broken heart as he mended and repaired my being At first it felt like I went in for an open heart surgery and I was not on any medication so every single thing that was touched on I really felt it As painful as some of the things done to me in the past felt I came to understand that was the reason why my Lord was there so I chose to allow Him into my life for healing to begin It was in Him to give and so a new heart was provided for me to be able to live pain free As I accepted the gift I was given I felt the heart beat like never before A tear drop rolled down my cheek and I knew I was transformed I came to find out it was new life in me I was coming out a new person a new being who was no longer conformed to the world but renewed enlightened enriched I woke up and realized I was no longer sleeping beauty as I got the awakening To me that was healing from the house of heaven I was now free from heartache no longer day dreaming but living the dream The documentary touches on life experiences and showcases a woman's journey as she worked to free herself from oppression rebuilding her life to make it out of the wilderness alive It turned out to be a journey of a lifetime
