Routledge is an imprint of Taylor Francis an informa company *Sincerity's Shadow* Deborah FORBES, Deborah Forbes, 2009-06-30 In a work of surprising range and authority Deborah Forbes refocuses critical discussion of both Romantic and modern poetry *Sincerity's Shadow* is a versatile conceptual toolkit for reading poetry Ever since Wordsworth redefined poetry as the spontaneous overflow of powerful feelings poets in English have sought to represent a sincere self consciousness through their work Forbes's generative insight is that this project can only succeed by staging its own failures Self representation never achieves final sincerity but rather produces an array of sincerity effects that give form to poetry's exploration of self In essays comparing poets as seemingly different in context and temperament as Wordsworth and Adrienne Rich Lord Byron and Anne Sexton John Keats and Elizabeth Bishop Forbes reveals unexpected convergences of poetic strategy A lively and convincing dialectic is sustained through detailed readings of individual poems By preserving the possible claims of sincerity longer than postmodern criticism has tended to while understanding sincerity in the strictest sense possible Forbes establishes a new vantage on the purposes of poetry Table of Contents Introduction 1 The Personal Universal Sincerity as Integrity in the Poetry of Wordsworth and Rich 2 Before and After Sincerity as Form in the Poetry of Wordsworth Lowell Rich and Plath 3 Sincerity and the Staged Confession The Monologues of Browning Eliot Berryman and Plath 4 The Drama of Breakdown and the Breakdown of Drama The Charismatic Poetry of Byron and Sexton 5 Agnostic Sincerity The Poet as Observer in the Work of Keats Bishop and Merrill Conclusion Notes Index From the Conclusion In spite of modern experiments in communal authorship writing poetry remains one of the most individual of acts and yet because it provides the ground upon which the paradoxes of self consciousness can move most freely one of the acts most skeptical about the authority of any individual claim to self understanding In undertaking its experiments poetry may separate itself from certain contexts economic political historical but is itself as local and concrete as these contexts an experience as well as a meditation on our experiences In its particularity its flexibility its sensual and sonic complexity its consideration of the extra rational experiences of pleasure and desire and above all in the ways in which it speaks with both more and less authority more and less presence than an actual human voice poetry offers us the experience of the unknown at the core of proposed self knowledge This is lyric poetry's enduring though not sole claim on us **James Merrill** Langdon Hammer, 2015-04-14 Langdon Hammer has given us the first biography of the poet James Merrill 1926-95 whose life is surely one of the most fascinating in American literature Merrill was born to high privilege and high expectations as the son of Charles Merrill the charismatic cofounder of the brokerage firm Merrill Lynch and Hellen Ingram a muse ally and antagonist throughout her son's life Wounded by his parents bitter divorce he was the child of a broken home looking for repair in poetry and love This is the story of a young man escaping yet also reenacting the energies and obsessions of those powerful

parents It is the story of a gay man inventing his identity against the grain of American society during the eras of the closet gay liberation and AIDS Above all it is the story of a brilliantly gifted fiercely dedicated poet working every day to turn his life into art After college at Amherst and a period of adventure in Europe Merrill returned to the New York art world of the 1950s he was friendly with W H Auden Maya Deren Truman Capote Larry Rivers Elizabeth Bishop and other midcentury luminaries and began publishing poems plays and novels In 1953 he fell in love with an aspiring writer David Jackson They explored boys and bars as they made their life together in Connecticut and later in Greece and Key West At the same time improbably they carried on a forty year conversation with spirits of the Other World by means of a Ouija board The board became a source of poetic inspiration for Merrill culminating in his prizewinning uncanny one of a kind work *The Changing Light at Sandover* In his virtuosic poetry and in the candid letters and diaries that enrich every page of this deliciously readable life Merrill created a prismatic art of multiple perspectives and comic self knowledge expressing hope for a world threatened by nuclear war and environmental catastrophe Holding this life and art together in a complex evolving whole *Hammer* illuminates Merrill s chronicles of love loss and the poignant personal journey they record *Yggdrassil, and Other Poems* John Campbell (writer of poetry.),1898 **A Poetry Teacher's Toolkit** Collette Drifte, Mike Jubb,2013-10-23 Professional poets spend many hours crafting a finished piece of work yet we expect children in school to sit down and write when they are told to whether they feel inspired or not This series of four books is a toolkit to help you build a positive framework for children to read write understand and enjoy poetry to bring a creative spark to the poetry classroom A combination of featured poems creative ideas structured lesson plans and differentiated photocopiable activity sheets gives the series a uniquely flexible approach which means you can use the materials in any classroom context If you re wary of poetry if you think it s boring or if you re nervous about teaching poetry then you ve chosen the right book Key themes covered in BOOK 4 Language and Performance are moods and feelings through the use of effective language nonsense and humorous verse the continuity and links between ancient and modern between nursery and playground rhymes and Shakespeare whatever our ability there is a place for everyone on the poetry ladder and performance poetry Other books in the series are BOOK 1 Words and Wordplay BOOK 2 Rhymes Rhythms and Rattles and BOOK 3 Style Shape and Structure **The Consuming Myth** Stephen Yenser,1987 Yenser ranges over all of Merrill s writing to date from a precocious book printed when its author was fifteen to his most recent publication a verse play He writes about both of the poet s novels and pays particular attention to the epic poem *The Changing Light at Sandover* **The Library of Wit and Humor, Prose and Poetry** Ainsworth Rand Spofford,1894 **Dictionary Catalog of the Harris Collection of American Poetry and Plays, Brown University Library, Providence, Rhode Island** Brown University.
