Disclaimer: The following is a practice test. It is only a representation of what the actual test COULD be like. It is NOT a guarantee that your actual test will have the same amount of questions, problems, nor breakdown between multiple choice questions and problems. I encourage you to attempt this practice test WITHOUT looking at the answers. Then check your answers. If one is having trouble with the practice test, it should be a clear signal that they do NOT yet fully understand the material. If one never achieves a satisfactory grade/result from taking the practice test, they should not expect to do any better on the actual test!
