Holidays Activities Valerie Ann Bradford,2011-10-28 My book on Holiday Activities is about art and crafts for the children to make during the holidays while the adults are busy with cooking cleaning the house and etc The children can make games to give to their friends or keep for themselves I did each one of these activities my self to make sure I wrote down each step so it would be easy for anyone to do them even grand parents can do these activities The ages are 4 and up with some guidance from the adults These activities are fun and also have some science in them to help the children to build their language skills along with communication skills with others children
