CHAPTER SEVEN NOTES

Chapter 7: The Road to Revolution (1763-1776)

(I) The Unpopularity of the Revolution

- In 1763, the British government passed the Proclamation Line to settle the western land question.
- The western land question appeared but remained largely unimportant to the majority because neither side was directly affected.
 - Being across the Atlantic made it difficult to spread the news.
 - Settlers felt primarily and naturally responsible to their immediate neighbors without reference to the government, but standing were fundamentally different from England and the colonies.
 - Many loyalists were still in the area, and that they were on the wrong side of the Atlantic.

(II) The British and the Colonies

- At the 18 congressional conference, the delegates were firmly pro-revolution. British government structures based on compromise and negotiation were rejected.
- The British and the colonies had many differences.
 - American colonists were not used to the British government's power over them.
 - The colonies had a different view of the British government's power over them.
 - The colonies had a different view of the British government's power over them.
