Englands Antiphon

George MacDonald

Englands Antiphon:

England's Antiphon George MacDonald,1868 England's Antiphon George MacDonald,2018-02-22 From George MacDonald In this book I have sought to trace the course of our religious poetry from an early period of our literary history This could hardly be done without reference to some of the principal phases of the religious history of the nation To give anything like a full history of the religious feeling of a single county would require a large book and not to mention sermons would involve a thorough acquaintance with the hymns of the country a very wide subject which I have not considered of sufficient importance from a literary point of view to come within the scope of the volume But if its poetry be the cream of a people s thought some true indications of the history of its religious feeling must be found in its religious verse and I hope I have not altogether failed in setting forth these indications My chief aim however will show itself to have been the mediating towards an intelligent and cordial sympathy betwixt my readers and the writers from whom I have quoted In this I have some confidence of success Heartily do I throw this my small pebble at the head of the greatSabbath breaker Schism England's Antiphon (Esprios Classics) George Macdonald,2021-03-23 George MacDonald 1824 1905 was a Scottish author poet and Christian minister He was a pioneering figure in the field of modern fantasy literature and the mentor of fellow writer Lewis Carroll In addition to his fairy tales MacDonald wrote several works of Christian theology including several collections of sermons His writings have been cited as a major literary influence by many notable authors including MacDonald s first novel David Elginbrod was published in 1863 His best known works are Phantastes The Princess and the Goblin At the Back of the North Wind and Lilith 1895 all fantasy novels and fairy tales such as The Light Princess The Golden Key and The Wise Woman MacDonald also published some volumes of sermons the pulpit not having proved an unreservedly successful venue

England's Antiphon George E. MacDonald,1977-06-01 *England's Antiphon - Scholar's Choice Edition* George MacDonald,2015-02-17 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

England's Antiphon MacDonald George,2016-06-20 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are

images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

England's Antiphon George MacDonald George MacDonald,2017-06-25 In this book I have sought to trace the course of our religious poetry from an early period of our literary history This could hardly be done without reference to some of the principal phases of the religious history of the nation To give anything like a full history of the religious feeling of a single county would require a large book and not to mention sermons would involve a thorough acquaintance with the hymns of the country a very wide subject which I have not considered of sufficient importance from a literary point of view to come within the scope of the volume

England's Antiphon (Classic Reprint) George MacDonald,2015-06-30 Excerpt from England s Antiphon For song is the speech Of feeling Even the prose Of emotion always wanders into the rhythmical Hence as well as for other reasons belonging to its nature it is one chief mode in which men unite to praise God for in thus praising they hold communion with each other and the praise expands and grows About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

England's Antiphon (S.I. 1868) ,1868

Englands Antiphon Part 1 George MacDonald,2026-01-20 This part traces the origins of English religious poetry within medieval worship and communal faith emphasizing the inseparable bond between poetry and devotion Miracle plays hymns and early sacred lyrics reveal a living faith sustained amid social and ecclesiastical turmoil Through Spenser Bacon Donne and the Elizabethan dramatists poetry increasingly embraces personal reflection alongside theological inquiry The section charts the movement from collective praise toward a more inward and responsive spiritual voice

England's Antiphon. by George MacDonald,2016-08-15 George MacDonald 10 December 1824 18 September 1905 was a Scottish author poet and Christian minister He was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll His writings have been cited as a major literary influence by many notable authors including W H Auden C S Lewis J R R Tolkien Walter de la Mare E Nesbit and Madeleine L Engle 1 C S Lewis wrote that he regarded MacDonald as his master Picking up a copy of Phantastes one day at a train station bookstall I began to read A few hours later said Lewis I knew that I had crossed a great frontier G K Chesterton cited *The Princess and the Goblin* as a book that had made a difference to my whole existence

[England's Antiphon,1868](#) G. Macdonald, **Englands Antiphon Part 2** George MacDonald,2026-01-20 This part centers on Herbert and Milton examining how religious poetry articulates inner struggle obedience and spiritual

discipline Metaphysical poets and mystical voices deepen faith into a total response of being rather than mere emotion Henry Vaughan and the later reflective chapters explore doubt silence and questioning as integral to genuine devotion The book concludes by presenting religious poetry as an ever renewed spiritual response rather than a fixed doctrinal statement

England's Antiphon George MacDonald,1800 **England's Antiphon** George MacDonald,2017-04-28 George MacDonald 10 December 1824 18 September 1905 was a Scottish author poet and Christian minister He was a pioneering figure in the field of fantasy literature and the mentor of fellow writer Lewis Carroll His writings have been cited as a major literary influence by many notable authors including W H Auden C S Lewis J R R Tolkien Walter de la Mare E Nesbit and Madeleine L Engle C S Lewis wrote that he regarded MacDonald as his master Picking up a copy of Phantastes one day at a train station bookstall I began to read A few hours later said Lewis I knew that I had crossed a great frontier G K Chesterton cited The Princess and the Goblin as a book that had made a difference to my whole existence Elizabeth Yates wrote of Sir Gibbie It moved me the way books did when as a child the great gates of literature began to open and first encounters with noble thoughts and utterances were unspeakably thrilling **England's Antiphon** George George McDonald,2017-09-14 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience We believe this work is culturally important and have elected to bring the book back into print as part of our continuing commitment to the preservation of printed works worldwide *England's Antiphon* George MacDonald,2025-08-17 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **England's Antiphon** Geo Macdonald (LL.D.),1869 **England's Antiphon** George MacDonald,2020-01-25 The earliest form of literature is the ballad which is the germ of all subsequent forms of poetry for it has in itself all their elements the lyric for it was first chanted to some stringed instrument the epic for it tells a tale often of solemn and ancient report the dramatic for its actors are ever ready to start forward into life snatch the word from the mouth of the narrator and speak in their own persons All these forms have been used for the utterance of religious thought and feeling Of the lyrical poems of England religion possesses the most of the epic the best of the dramatic the oldest **England's Antiphon** George MacDonald,1874
