Mallett, 2023-07-27 Life can deal you with many challenges which often are responded to without the benefit of lessons learned As a result we often make the same mistakes that our predecessors made as they faced these same challenges The journey through life or the journey up the ladder of a supervisor to a leader in a company is much easier if we know of the mistakes that others have made and can learn lessons to apply when each of us goes through the same challenge Many of us experience lessons but it is the unique ones that provide us with the best lessons If we listen these lessons aid us in learning to better cope with life during each phase of the journey from beginning to end These unique lessons are not often shared and a broad spectrum of our society does not learn from them Dr Mallett combines some of his expertise with his personal learnings to provide all individuals in life with sixteen unique lessons to help every individual and family make better decisions going forward The stories and examples in this book provide valuable lessons for individuals who are parenting children and for individuals who are transitioning from employees to supervisors to managers and finally to senior leaders in companies Several of the lessons will help supervisors managers and leaders move easier through certain challenges as the lessons provide examples of dos and don'ts The sixteen individual lessons gleaned from this book will help mitigate the trial and error approach to learning to be a good supervisor manager or leader for others If applied they will help you succeed as a manager leader and parent in life's journey **Golf Illustrated**, 1899 **"The Power of Positive Thinking"** Norman Vincent Peale, This book is written with the sole objective of helping the reader achieve a happy satisfying and worthwhile life Norman Vincent Peale The precursor to *The Secret* *The Power of Positive Thinking* has helped millions of men and women to achieve fulfillment in their lives In this phenomenal bestseller Dr Peale demonstrates the
