together a collection of leading international authors to reflect on the influence of central contributions or classics that have  
shaped the development of the field of public policy and administration The Handbook reflects on a wide range of key  
contributions to the field selected on the basis of their international and wider disciplinary impact Focusing on classics that  
contributed significantly to the field over the second half of the 20th century it offers insights into works that have explored  
aspects of the policy process of particular features of bureaucracy and of administrative and policy reforms Each classic is  
discussed by a leading international scholar They offer unique insights into the ways in which individual classics have been  
received in scholarly debates and disciplines how classics have shaped evolving research agendas and how the individual  
classics continue to shape contemporary scholarly debates In doing so this volume offers a novel approach towards  
considering the various central contributions to the field The Handbook offers students of public policy and administration  
state of the art insights into the enduring impact of key contributions to the field **Evaluation** Carol H. Weiss,1972
