Freya Stark in Persia Malise Ruthven, Freya Stark, St. Antony's College (University of Oxford). Middle East Archives, 1994 Unlike Syria and Iraq where Europeans were well protected Persia in 1930 was an independent country

only recently recovering from years of lawlessness Despite its apparent dangers Freya Stark s romantic soul found an affinity with people who seemed to prefer poverty with freedom to sub colonial affluence Before venturing into Mazanderan Dame Freya spent a month in Hamadan She set out for Alamut in the middle of May heading for the castle of Hassan i Sabbah She returned to the valleys the following year in August 1931 to explore the castle of Lamasur one of the last of the Ismaili strongholds She sojourned briefly in Tehran in September 1931 before the prospect of buried treasure took her to Luristan In March 1943 while employed by the Ministry of Information she was invited to spend her leave with Lord Wavell in Tehran She received permission to use an official car to make the journey from Dehli and set off from Quetta She travelled for several days across Baluchistan to Meshed from there a detour of some 1200 miles took her to Tehran by way of Kerman and at last allowed her to visit Isfahan **Perseus in the Wind** Freya Stark,1956 **Freya Stark Letters** Freya Stark,1974

Alexander's Path Freya Stark,1990-03-09 A memoir of a woman s trek through rural Turkey and its ancient history A sharp eyed thoughtful and knowledgeable traveler The New York Times In 1956 Freya Stark traveled through back country Turkey by truck and horseback often alone She reached places little visited and never written about The country people welcomed her with generosity despite their meager resources She was traveling in time as well and found significance in recalling the life of Alexander the Great as she retraced his journey in reverse Twenty two centuries earlier he was the first to dream of a united world and Stark s observations reflect not just this land s physical connections to antiquity but the human longings that persist through millennia One of the finest travel writers of the twentieth century The New Yorker Stark s forte is the ability to take the reader to an ancient site and through the scanty remains that are left today evoke the past of which they were a part The New York Times Describing a Jeep and mule trek she undertook in 1956 through the back country of Anatolia Stark retraces in reverse the progress of Alexander the Great more than two millennia before Stark has a wonderfully understated sense of humor Kirkus Reviews [Freya Stark](#) Freya Madeline Stark,1975 **Ulysses** ,
