

Feminist Ethics

First, what is Feminism?

According to Brannigan, p.179, its original meaning and impetus is:

... the long-standing history of control and dominance by men throughout the world, men who have not viewed women as their equals.

This suggests that Feminism is a *reaction* to a proposed injustice against women by men.

Feminist Ethics

Susan Sherwin

Feminist Ethics:

Explorations in Feminist Ethics Eve Browning, Susan Margaret Coultrap-McQuin, 1992 **Feminist Ethics** Claudia Card, 1991 Fifteen essays address subjects ranging from the history of feminist ethics to the logic of pluralist feminism and present feminist perspectives on such topics as terrorism bitterness women trusting other women and survival and ethics Paper edition unseen 14 95 Annotation copyrighted by Book News Inc Portland OR **Feminist Interventions in Ethics**

and Politics Jean Keller, Barbara S. Andrew, Lisa H. Schwartzman, 2005-03-22 This collection breaks new ground in four key areas of feminist social thought the sex gender debates challenges to liberalism equality feminist ethics and feminist perspectives on global ethics and politics in the 21st century Altogether the essays provide an innovative look at feminist philosophy while making substantive contributions to current debates in gender theory ethics and political thought

Feminists Doing Ethics Peggy DesAutels, Joanne Waugh, 2001-09-10 *Feminists Doing Ethics* is the debut title in the new Rowman Littlefield series *Feminist Constructions* In this thoughtful collection contributors refashion essays from the international conference on feminist ethics *Feminist Ethics Revisited* October 1999 with an aim to critique social practice and develop an ethics of universal justice The essays in this exciting volume explore the intricacies and impact of reasoned moral action the virtues of character and the empowering responsibility that morality generates *Feminists Doing Ethics* brings to light concepts and ideas that are intended to extend our understanding of morality and of ourselves *Rethinking Feminist Ethics* Daryl Koehn, 1998 The question of whether there can be a distinctively female ethics is one of the most important and controversial debates in gender studies philosophy and psychology today *Rethinking Feminist Ethics Care Trust and Empathy* marks a bold intervention in these debates and bridges the ground between women theorists disenchanted with aspects of traditional ethics and traditional theories that insist upon the need for some ethical principles [Feminists Doing Ethics](#)

Peggy DesAutels, Joanne Waugh, 2001 As the initial book in the *Feminist Constructions* series *Feminists Doing Ethics* broaches the ideas of critiquing social practice and developing an ethics of universal justness The essays collected within explore the intricacies and impact of reasoned moral action the virtues of character and the empowering responsibility that comes with morality These and other essays were taken from *Feminist Ethics Revisited An International Conference on Feminist Ethics* held in October of 1999 Waugh and DesAutels bring to light in these pages work discussed at this conference that extends our understanding of morality and ourselves Visit our website for sample chapters **An Invitation to**

Feminist Ethics Hilde Lindemann, 2019-07-31 *Feminist ethics* addresses how power through gender affects moral practice and theory This enterprise is more important than ever before in an age of sharpened attention and concern for feminist issues and injustices Yet the number of terms which have entered mainstream discussion can quickly overwhelm the novice intersectionality gender neutrality androcentrism *An Invitation to Feminist Ethics* offers an easy to understand hospitable approach to the study of feminist moral theory and practice from a renowned ethicist underscoring its need and the clarifying

light it casts on some of the most pressing topics in contemporary society The work surveys feminist ethical theory beginning with an explanation of ethics feminism and gender before discussing the concepts of discrimination oppression gender neutrality and androcentrism The work further discusses in depth intersectionality and microaggressions before examining personal identities and how identities are vulnerable to oppression and what can be done about it The book also includes a helpful overview of three standard moral theories social contract theory utilitarianism and Kantian ethics and a discussion of their failings from a feminist point of view followed by introductions to feminist care theory and feminist responsibility ethics A close ups section explores three social practices bioethics violence and the globalized economy within which these concepts are applied and the need for feminist ethics is most urgent

On Feminist Ethics and Politics Claudia Card,1999 For years mainstream feminist ethics focused criticism on male supremacy Feminist philosophers in this volume adopt a less male focused stance to look closely at oppression s impact on women s agency and on women s relations with women Examining legal social and physical relationships these philosophers confront moral ambiguity moral compromise and complicity in perpetuating oppression Combining personal experience with philosophical inquiry they vividly portray their daily engagement with oppression as both victims and perpetrators They explore such issues as how pornography silences women and radical feminist politics complicity in racism Among these insightful essays Sandra Bartky argues that women share guilt for racism when they benefit from it without protest Susan Brison reflects on uses of narrative in trauma recovery from such experiences as being targeted for rape or murder Joan Callahan examines fallout of derogatory speech directed at lesbians Virginia Held proposes carrying care into marketplaces and governments and in her introduction Claudia Card draws on Primo Levi s conception of gray zones in exploring dangers of character damage to victims of misogyny A fitting companion to Card s highly regarded *Feminist Ethics* this volume interweaves observations on character political ethics violence and love into an accessible sourcebook for students It tackles some of feminism s most pressing issues and helps readers to identify and then overcome the real damage caused by oppression

Justice And Care Virginia Held,1995-11-03 This book an essential tool for anyone studying the state of feminist thought in particular or ethical theory in general shows the outlines of an ethic of care in the distinctive practices of African American communities and considers how the values of care and justice can be reformulated

No Longer Patient Susan Sherwin,1992 This book attempts to deepen common understandings of what considerations are relevant in discussions of bioethics It is meant to offer a clearer picture of what morally acceptable health care might look like I argue that a feminist understanding of the social realities of our world is necessary if we are to recognize and develop an adequate analysis of the ethical issues that arise in the context of health care from Introduction

Feminist Ethics Carl-Henric Grenholm,Normunds Kamergrauzis,2003 Feminist ethics is a critical reflection on morality which is informed by feminist theory and the experiences of women in a patriarchal society It has developed a sharp critique of traditional ethical theories in a male dominated and androcentric culture

Essays on Ethics

and Feminism Sabina Lovibond, 2015-10-08 *Essays on Ethics and Feminism* is a selection of the shorter writings of Sabina Lovibond one of the most distinctive voices in contemporary philosophy since the 1980s This work lays claim to a broad thematic unity based on its affiliation to the realist or rationalist traditions in moral philosophy Some of the essays seek to clarify the relation of feminism to these traditions and to current anti-rationalist tendencies especially important here are the status and prospects of normativity autonomy purposive action and other conceptual resources for critical thinking which were called into question over roughly the last third of the twentieth century not least by feminist writers heedful of continental European developments All of the essays are concerned with fundamental ethical questions including but not restricted to questions of feminist ethics such as the nature of value and the good life moral requirements and their associated epistemology character formation and the ideological critique of the processes by which this is effected The essays deploy ideas drawn both from Platonic Aristotelian and from Kantian ethics as well as from the later philosophy of Wittgenstein However they also attempt to respond to the destabilizing impact of Nietzschean and postmodernist thought The writing is addressed to those engaged in or with some interest in academic philosophy and draws on a wide range of philosophical source materials but avoids unnecessary technicality In the same way it should appeal to those with a pre-existing interest in academic feminism and in some forms of feminist activism but could also serve to draw new readers into the domain of feminist thought

Feminist Morality Virginia Held, 1993-11-15 How is feminism changing the way women and men think feel and act Virginia Held explores how feminist theory is changing contemporary views of moral choice She proposes a comprehensive philosophy of feminist ethics arguing persuasively for reconceptualizations of the self of relations between the self and others and of images of birth and death nurturing and violence Held shows how social political and cultural institutions have traditionally been founded upon masculine ideals of morality She then identifies a distinct feminist morality that moves beyond culturally embedded notions about motherhood and female emotionality Examining the effects of this alternative moral and ethical system on changing social values Held discusses its far-reaching implications for altering standards of freedom democracy equality and personal development Ultimately she concludes the culture of feminism could provide a fresh perspective on even solutions to contemporary social problems *Feminist Morality* makes a vital contribution to the ongoing debate in feminist theory on the importance of motherhood For philosophers and other readers outside feminist theory it offers a feminist moral and social critique in clear and accessible terms

Feminist Perspectives on Ethics Elizabeth Porter, 2014-06-11 *Feminist Perspectives on Ethics* is a unique guide to the development of feminist thought on ethics and moral agency Each chapter offers a survey of feminist debates on key areas the nature of feminist ethics intimate relationships professional ethics politics sexual politics abortion and reproductive choices Importantly the author draws on the range of ideological viewpoints that exist to demonstrate the rich diversity of feminism and also attempts to break down dualistic discordant or simplistic understandings of ethics

Moral Understandings Margaret Urban

Walker,2007-09-13 This is a revised edition of Walker's well known book in feminist ethics first published in 1997 Walker's book proposes a view of morality and an approach to ethical theory which uses the critical insights of feminism and race theory to rethink the epistemological and moral position of the ethical theorist and how moral theory is inescapably shaped by culture and history The main gist of her book is that morality is embodied in practices of responsibility that express our identities values and connections to others in socially patterned ways Thus ethical theory needs to be empirically informed and politically critical to avoid reiterating forms of socially entrenched bias Responsible ethical theory should reveal and question the moral significance of social differences The book engages with and challenges the work of contemporary analytic philosophers in ethics Moral Understandings has been influential in reaching a global audience in ethics and feminist philosophy as well as in tangential fields like nursing ethics research ethics disability ethics environmental ethics and social and political theory This revised edition contains a new preface a substantive postscript to Chapter 1 about the subject of moral philosophy the addition of a new chapter on the importance of emotion in practices of responsibility and the addition of an afterword which responds to critics of the book

Embodied Care Maurice Hamington,2010-10-01 Until now ethicists have said little about the body limiting their comments on it to remarks made in passing or at best devoting a chapter to the subject Embodied Care is the first work to argue for the body's centrality to care ethics doing so by analyzing our corporeality at the phenomenological level It develops the idea that our bodies are central to our morality paying particular attention to the ways we come to care for one another Hamington's argues that human bodies are built to care as a result embodiment must be recognized as a central factor in moral consideration He takes the reader on an exciting journey from modern care ethics to Merleau Ponty's philosophy of the body and then to Jane Addams's social activism and philosophy The ideas in Embodied Care do not lead to yet another competing theory of morality rather they progress through theory and case studies to suggest that no theory of morality can be complete without a full consideration of the body

Toward a Feminist Ethics of Nonviolence Adriana Cavarero, Judith Butler, Bonnie Honig,2021-01-26 Toward a Feminist Ethics of Nonviolence brings together major feminist thinkers to debate Cavarero's call for a postural ethics of nonviolence and a sociality rooted in bodily interdependence Toward a Feminist Ethics of Nonviolence brings together three major feminist thinkers Adriana Cavarero Judith Butler and Bonnie Honig to debate Cavarero's call for a postural ethics of nonviolence The book consists of three longer essays by Cavarero Butler and Honig followed by shorter responses by a range of scholars that widen the dialogue drawing on post Marxism Italian feminism queer theory and lesbian and gay politics Together the authors contest the boundaries of their common project for a pluralistic heterogeneous but urgent feminist ethics of nonviolence

Global Feminist Ethics Peggy DesAutels, Rebecca Whisnant,2010 This volume is fourth in the series of annuals created under the auspices of The Association for Feminist Ethics and Social Theory FEAST The topics covered herein from peacekeeping and terrorism to sex trafficking and women's paid labor to poverty and religious fundamentalism are vital to

women and to feminist movements throughout the world Rethinking Ethics in the Midst of Violence Linda A. Bell, 1993
Selected by Choice as an Outstanding Academic Book for 1995 Moving beyond the traditional feminist ethics of care Linda A
Bell places an existentialist conception of liberation at the heart of ethics and argues that only an ethics of freedom
sufficiently allows for feminist critique and opposition to a status quo imbued with violence She offers a critique of
Aristotelian utilitarian and Kantian ethics analyzing each approach from feminist perspectives and showing how each fails
women and others who resist oppression **Socializing Care** Maurice Hamington, Dorothy C. Miller, 2006-01-10
Contributors to this volume demonstrate how the ethics of care factors into a variety of social policies and institutions and
can indeed be useful in thinking about a number of different social problems Divided into two sections the first looks at care
as a model for an eva

If you ally infatuation such a referred **Feminist Ethics** book that will pay for you worth, acquire the agreed best seller from us currently from several preferred authors. If you desire to entertaining books, lots of novels, tale, jokes, and more fictions collections are next launched, from best seller to one of the most current released.

Feminist Ethics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Feminist Ethics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Feminist Ethics has opened up a world of possibilities. Downloading Feminist Ethics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Feminist Ethics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Feminist Ethics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Feminist Ethics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Feminist Ethics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Feminist Ethics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it

is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Feminist Ethics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Feminist Ethics is one of the best book in our library for free trial. We provide copy of Feminist Ethics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Feminist Ethics. Where to download Feminist Ethics online for free? Are you looking for Feminist Ethics PDF? This is definitely going to save you time and cash in something you should think about.
