Green Beach:

Green Beach James Leasor,2001-02-15 In 1942 radar expert Jack Nissenthall volunteered for a suicidal mission to join a combat team who were making a surprise landing at Dieppe in occupied France This is the story of what happened to him and his bodyguards in nine hours under fire **The Green Beach File** K. A. Perry,2020-07-07 First an amphibian expert is found murdered in the fancy shoreline town of Mayfield Connecticut Then a second shocking murder of a well respected community leader occurs Why are there murders happening in a town as peaceful as Mayfield Jenn isn t the perfect clever attorney She doesn t love her job has no innate ability to solve mysteries no superpowers and no awesome legal skills But she does have her love and respect for nature which tends to distract her from her legal work yet still somehow guides her Along with her entertaining and dysfunctional family Jenn weaves her way into the midst of a momentous fight over land preservation The murders appear to be tied to the development of the largest parcel of pristine beachfront land between Boston and New York Most folks in Mayfield want the unique beachfront preserved for the public and object to the construction of expensive homes but are any of these folks extremist enough to murder for the environment and save coastal land And how much will Jenn stretch the law to solve the mystery The Green Beach File touches on the solace we as humans get from time spent outside in nature the social pressure of today s environmentalism and our culture s continued quest for meaning through overt consumption and the acquisition of wealth all while remaining a light hearted summer read for those who love nature the outdoors and relaxing on the beach Goldie Green Samuel Merwin,1922 **Golf green of England (Ireland) and Wales (and Continent)**.
