Evil Dreams:

Warfare Prayers Against Evil Dreams Dr. Olusola Coker,2019-10-26 Unfortunately most Christians allow Evil dreams to take over their lives As Christians we are not supposed to allow Evil dreams to dominate our lives A lot of people don t know how to stop Evil dreams from taking over their lives This is the reason Dr Olusola Coker carefully explains the meaning of Evil dreams types of Evil dreams and how to deal with them **120 Common Dreams and their Interpretations With** Dr. Olusola Coker,2018-10-05 One of the many ways God communicate with us is through Dreams He made promise that he would talk to his own people through dreams in the last days 90% of revelation knowledge that we need in order to overcome our problem can be revealed to us in the dreams and it is said that to be informed is to be transformed Dreams can come from God it can come from man it can also come from the Devil if you cannot interpreter your dreams properly then there is no solution to your problem as you may not know how to address it Hence this book will help you interpret your dreams and enough prayers to back it up If you do not dream at all or you feel you do not dream then this could be very dangerous If God want to talk to you you will definitely not hear because the communication chain has been blocked Please note that only aggressively prayers will deliver you from not remembering your dreams it should be taken very seriously *The Mystery Of Dreams (The Vision of the Night)* Patrick Tshibangu,2020-01-29 Do you know why you have dreams when you sleep Do you understand your dreams Have you dreamed something then it happened physically Is there anything you can do to avoid nightmares Do you know that dreams carry messages from God All these questions are answered in this book *The Mystery of Dreams* This book was written under God s guidance based on bible scriptures The Author is explaining the living reality of dreams that everybody experiences when sleeping Being himself a carrier of the gift of dreams and interpretation of dreams Evangelist Patrick Tshibangu has brought to light many unanswered questions about dreams This book shows you the origin of your dreams the mystery behind your dreams and helps you to discover the messages of God behind your dreams Dreams are mysterious because they come in a form of symbols codes or enigmas that are unknown to men and contain secrets that required a revelation from God In this book you will also learn three different types of dreams Divine dreams Evil dreams and Psychological Dreams This book helps you as well to interpret some of your own dreams based on bible scriptures In this book you will also find a blank space that you can use to record your own dreams It is not by accident that you have this book in your hands I believe God led you to read this and I pray that it blesses you in Jesus s name Amen **The Dreamer** Qamrul A. Khanson,2005-10-28 This book titled *The Dreamer* is a successful attempt to study the evolution of dreams its origin its impact on human psyche and its detrimental effect on Dreamer s future course of life The Dreams have been analysed by Messenger Prophets of Almighty The God by Messengers companions scholars and many intellectuals in religious and non religious communities until the present times The process of Dream Delineation is very important and it would continue to amaze people who wish to reap the benefits from the correct Dreams Such individuals would be ahead of

many of their compatriots in materialism and spirituality In this book The Dreamer the envisioned dreams have been categorised in different chapters to understand each and every kind of dreams individually by its nature domain background habitat and logic Though main deliberations are from The Qur an Ahadiths Atharats conforming Biblical text but other scientific references have been sought to make this book widely beneficial for every section of life style without any prejudice to culture and religion The inclusion of secular perceptions of Dreaming covers the non religious desire to gain benefits from the endowed blessings of Almighty The God The overall scientific approach to Dreaming does not alter its divine importance but the secret knowledge from the dreams buds out to provide fragrance of life to each and every human born with this beautiful trait By reading this book people of different cultures and religions would blossom in the form of colourful foliage covering the scientific visions of Humankind May Almighty make this book useful to all genuine Dreamers who seek His Almighty s Guidance for their betterment So help us Almighty The God Ameen A men

The Dreamer: Dream Your Future Qamrul Khanson, **Divine Protection & Immunity While Sleeping** Prayer M. Madueke, The Spiritual Warrior s Guide to Defeating and Uprooting The Plantation of The Devil Satan has destroyed so many good things in the lives of believers because of sleep Unfortunately Satan and his agents capitalize on the vulnerability of men while they are asleep to attack them Many let down their guards when they sleep and are so defenceless that the enemy goes in and out of their lives freely wreaking so much havoc but while men slept his enemy came and sowed tares among the wheat and went his way Matthew 13 25 In this book Bestselling author Prayer Madueke exposes the secret weapons the enemy uses to violate and invade people when they sleep and gives us the strategies to overpower and disgrace these powers on suicide mission FREE BONUS Get my four power packed book series when you purchase this book Including one of my best sellers Command the Morning Day and Night Find link inside this book *HOW TO BREAK FREE FROM EVIL DREAMS* Hlompho Phamodi,2015-12-16 How the enemy uses dreams to corrupt and manipulate your life Are you having evil dreams that you cannot explain Are you feeling powerless over dream attacks Does the enemy have access into your dream life Are you tired of bondage The dream world is acknowledged by both the Bible and science It is a mysterious world that human beings have never mastered There is a lot that happens in the night It is your responsibility as a child of God to know how to monitor your dreams To know the difference between when God speaks to you or when the devil speaks to you through dreams A lot of lives are targeted at this time and the enemy unfortunately has access to the minds of both the saved and unsaved If discerned and prayed against dream attacks are powerless but if left unchecked they can destroy lives marriages and even destinies *Forewords.
