## Former Prophets:

*The Book of the Former Prophets* Thomas W. Mann, 2011-04-15 This narrative as a whole is a compelling example of ancient historiography incorporating many different literary sources from different times spanning the period of seven hundred years from the conquest of Canaan to the exile when Israel lost the land

**Ancient Israel: The Former Prophets: Joshua, Judges, Samuel, and Kings: A Translation with Commentary** Robert Alter, 2013-04 Chronicles the ancient history of Israel and its prophets from Samson to Elijah

**From Promise to Exile** Marvin E. Tate, 1999 Joshua Judges Ruth 1 and 2 Samuel and 1 and 2 Kings are known as part of the historical books of the canon However in Jewish tradition except for Ruth they are labeled as prophetic literature

**The Former Prophets** Duane L. Christensen, 2002 The Former Prophets are usually called History Books by most Christians Learn why Yeshua Jesus and the first generation of Christians included these books among the Prophets and how they relate to the Latter Prophets

The Latter Prophets T. Henshaw, 2024-12-06 Originally published in 1958 this book gives a concise account of the canonical prophets viewed in the light of modern scholarship After introductory chapters on the prophetic literature the historical background and the latest archaeological discoveries of the prophetic period the rise of prophecy and the forms and characteristics of Hebrew poetry the book deals in detail with the canonical prophets themselves giving a sketch of the life and work of each delineating their character and estimating their influence on the development of religion They are revealed as outstanding personalities forming a most remarkable group of religious teachers The book will be of interest not only to theological students but also to the clergy and teachers

Workers of Wonders Byron L. Sherwin, 2004 If the clergy is to be re empowered to reclaim leadership and authority as holy people they must reassert the ability to work wonders This does not require dramatic miracles but deeds that might well be perceived by people as nothing short of miraculous saving a marriage finding someone a job finding homes for the homeless bringing hope to the hopeless This is a book that every member of the clergy and every religious leader should read ponder and take to heart Publisher

*The Former Prophets*, 1960 TANAK Marvin A. Sweeney, 2011-11-01 Though biblical theology has long been considered a strictly Christian enterprise Marvin A Sweeney here proposes a Jewish theology of the Hebrew Bible based on the importance of Tanak as the foundation of Judaism and organized around the major components Torah Nevi im Prophets and Kethuvim Writings Sweeney finds the structuring themes of Jewish life the constitution of the nation Israel in relation to God the disruption of that ideal documented by the Prophets and the reconstitution of the nation around the Second Temple in the Writings Throughout he is attentive to tensions within and among the texts and the dialogical character of Israel s sacred heritage Publisher description

**An Introductory Dictionary of Theology and Religious Studies** Orlando O. Espín, James B. Nickoloff, 2007 Spanning the gamut from Aaron to Zwingli this dictionary includes nearly 3 000 entries written by about sixty authors all of whom are specialists in their various theological and religious disciplines The editors have designed the dictionary especially to aid the

introductory level student with instant access to definitions of terms likely to be encountered in but not to substitute for classroom presentations or reading assignments Publisher

**The Twelve Among the Prophets** Nicholas R. Wense, Anna Sieges, Aaron Scharf, 2025-11-17 Given James D Nogalski's contributions to research on the diachronic formation of the Book of the Twelve and its relationship to other Hebrew prophetic texts this Festschrift in his honor looks ahead toward the next stages in Book of the Twelve scholarship the relationship between the Twelve and other prophetic collections texts and conceptions of prophecy in the Hebrew Bible Many scholars studying the formation of the Book of the Twelve note that composition models have to account not only for the literary relationship between the individual prophetic texts within the collection but also for the literary relationship between the Twelve and the other Hebrew texts that also developed in the exilic and postexilic periods This area of inquiry benefits immensely from emerging insights into Ancient Mesopotamian and Mediterranean scribal practices the scribal role of Levites in the Second Temple Period and ancient conceptions of prophecy In this Festschrift Nogalski's colleagues and students advance scholarly inquiry into the Twelve as a collection that developed in relation to and alongside other Hebrew texts and collections in the Second Temple Period The authors in this volume explore the Twelve in whole or in part as it engages themes motifs and traditions found in other parts of the developing Hebrew scriptures

**The Old Testament** Brent A. Strawn, 2019-09-24 This concise volume introduces readers to the three main sections of the Hebrew Bible Tanakh and to the biblical books found in each It is organized around two primary stories the story that scholars tell about the Old Testament and the story the literature itself tells Concluding with a reconsideration of the Old Testament as more like poetry than a story three main chapters cover The Pentateuch Torah The Prophets Nevi'im The Writings Ketuvim With key summaries of what the parts of the Old Testament are all about and including suggestions for further reading this volume is an ideal introduction for students of and newcomers to the Old Testament

**The Former Prophets** Bob MacDonald, 2019-03-29 How will we begin the unfolding history of Israel after the giving of Torah We have heard the phrase the Law and the Prophets The Prophets are the second major division of the Hebrew Scriptures The prophets recount the history of Israel after the giving of the Law The first section of the prophets is the subject of four books Joshua Judges Samuel and Kings Each of Samuel and Kings is traditionally divided into two parts Here we read of the occupation of the Promised Land the early period of the Judges the call of Samuel prophet during the lives of Saul and David the sweet psalmist of Israel and we read of the progression of the kings of Israel from Solomon to the exile What a saga And all of it set to music in the very text itself The center between first and second Samuel contains the elegy of David over Saul and over Jonathan his son Its full sadness is to be known by hearing it recited with its music To read with the music is an unforgettable reading of the Hebrew Bible The Former Prophets is volume 2 of the series The Hebrew Bible and Its Music

The Messages of the Earlier Prophets ... in Paraphrase Frank Knight Sanders, 1907

## Former Prophets Introduction

In the digital age, access to information has become easier than ever before. The ability to download Former Prophets has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Former Prophets has opened up a world of possibilities. Downloading Former Prophets provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Former Prophets has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Former Prophets. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Former Prophets. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Former Prophets, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Former Prophets has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
