Convoy Escort Commander Sir Peter Gretton,1964      Convoy Escort Commander Peter Gretton,1964      **Convoy Escort Commander: A Memoir of the Battle of the Atlantic** Peter Gretton,2021-08-30 An engrossing memoir that uncovers the turning point of the Battle of the Atlantic against the U boat menace Perfect for fans of Ian Toll Jonathan Dimpleby or C S Forrester s Greyhound Vice Admiral Sir Peter Gretton s book is a brilliant account of his career in the navy through World War Two fighting in the Second Battle of the Narvik guarding convoys in the Mediterranean and the North Atlantic before being placed in charge of Escort Group B7 which he described as the finest job in the Navy for a new commander It was in this role that Gretton and the seven warships under his command were able to make their contribution to turning the tide against the U boat threat On the 22nd April 1943 Gretton was in charge of the escort for Convoy ONS 5 during its journey across the North Atlantic Over the course of the voyage they were attacked by over fifty U boats and although they lost thirteen ships they managed to sink six U boats and seriously damage many more The U boats had never faced such fierce resistance to their lethal raids As the great historian Samuel Eliot Morison stated the glorious battle of a British escort group under Commander P W Gretton to the Westbound convoy ONS 5 is regarded by both the Allies and the Germans as a turning point in the struggle for the North Atlantic What tactics had Gretton used to fend off Doenitz s terrifying submarine wolf packs And how had these strategies developed over the course of the war Convoy Escort Commander demonstrates how Allied commanders searched for new methods to repel U boat assaults including using direction finding radio and radar employing special tactical formations co ordinating with air cover and endeavouring to keep the convoy together and prevent straggling This book takes the reader to heart of the action and is an impressive account of the Battle of the Atlantic and the Royal Navy in World War Two one of the best memoirs of the Battle of the Atlantic

Acadiensis Journal of the History of the Atlantic Region      **Summary of Peter Gretton's Convoy Escort Commander** Everest Media,2022-06-22T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I was appointed First Lieutenant of the Vega a World War I destroyer which was being converted to anti aircraft and antisubmarine escort duties The start was in the best traditions The commissioning ceremony went well but the rain began to fall as soon as the official inspection of the ship was finished 2 The ship s company and the dockyard workers who were aboard for the trials were extremely busy We had to prepare for sea in the short time available and work was never finished before ten or eleven at night 3 The first R N V R unit was raised as a complete team The scheme was admirable but it had little time to develop before the war came We were constantly going to action stations before investigating ships sighted in the darkness 4 The ship had a number of adventures while on the east coast route The merchant ships were not used to keeping station and they would often slip away from convoys The four day passage to our base was more tiring than we expected

Navies Divided Brian Lavery,2023-11-30 The title is derived from George Bernard Shaw s comment that England and America are two countries divided by a common language It is not intended to imply that the two navies were seriously at odds with one another but rather to suggest as in the case of language that common roots and usages varied significantly And the Second World War is a pertinent moment for comparison They fought on the same side against a common enemy for nearly four years but Britain fought the war for the survival of itself and its empire though in the long term it failed with the latter while the American government fought to maintain its influence through the balance of power its people fought for revenge for Pearl Harbor and out of a sense of justice In this new book Brian Lavery describes and analyzes the differences and similarities between the two navies and in doing so sheds fascinating light on how the naval war was fought For example both navies had spectacular failures after entering the war the Royal Navy off Norway the USN at Pearl Harbor and Savo Island Paradoxically both commenced the war with quite amateur performances by professional navies and ended with highly skilled performances by largely amateur manned forces The training systems for regular officers had flaws in both countries In Britain entry was largely dependent on family income in America on political influence But American officers probably had a broader perspective by the time they entered active service The book covers ships and weapons systems for instance the British used too many gun types in the 4 to 6in range while the Americans concentrated on the well designed 5in And the author describes conditions onboard ships British vessels were awash with alcohol which had its attractions for Americans when alongside the Americans offered ice cream in return These examples represent only a tiny proportion of the subjects covered in this stimulating analysis Aviation the marines of both navies anti submarine and mine warfare uniforms propulsion systems shipbuilding and building programs commanders and national leaders ratings and officers ship design geographical environments naval bases hammocks and bunks the deployment of women these are among the myriad big and small themes that will open the eyes of naval historians and enthusiasts and show anyone with an interest in the Second World War how these two great allies came together to defeat the Axis forces

### **Escort Commander Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Escort Commander has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Escort Commander has opened up a world of possibilities. Downloading Escort Commander provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Escort Commander has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Escort Commander. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Escort Commander. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Escort Commander, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Escort Commander has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
