Essence of English Intellectual Life Moazzam Ali,2020-02-25 The book attempts at exploring the variegated essence of different ages and writers of English literature It talks about the continuously changing intellectual activity within a nation It tells all about English literature from beginning to the present times in a straight forward manner It also contains short analyses of the major works of English literature and shows diversities and similarities of ideas and manifestos Specially those works which reflect their times are given importance Because they act like a mirror and help us understand the ages and general thoughts prevailing in those ages It contains the knowledge of English literature that I acquired through reading and listening I am adding just a few things by myself and I have tried to support my arguments with textual references The reader may find this book adding a little bit to the existing knowledge Effort has been made to make it interesting and easy to comprehend Reading English poets and making their poetry a part of my understanding and feelings resulted in the five poems that I wrote Last pages of the book cover those poems

Chinese English Zhichang Xu,2022-09-15 This book offers a distinct exploration of Chinese English which has the largest rising population of speakers in the World Englishes WE family Xu focuses on the fundamental issues of names and norms that are closely related to Chinese English and the narratives of the speakers of Chinese English In addition to current approaches to WE research this book proposes a novel theoretical and analytical framework based on classical Chinese and Western philosophies The volume has an empirical basis drawing upon interview and questionnaire survey data from proficient speakers of Chinese English It is also based on an extensive review of the relevant literature on both WE and Chinese English and it draws upon the author s research experience of over two decades on the subject This is the third research book on Chinese English that the author has contributed to WE literature and it will be a valuable read for students and scholars alike

C. L. R. James Aldon Lynn Nielsen,2010-12 This study of C L R James s writings is the first to look at them as literature and not as theory This sustained analysis of his major published works places them in the context of his less well known writings and offers an encompassing critique of one of the African diaspora s most significant thinkers and writers Here the author of *Black Jacobins* *World Revolution* *A History of Pan African Revolt* *Beyond a Boundary* and the lyric novel *Minty Alley* is seen not only as among the great political philosophers but also as the literary artist that he remained from his first writings in his native Trinidad through his underground years in America to his final essays and speeches in London The writings of James have inspired revolutionaries on three continents They have altered the course of historiography shown that way toward independent black political struggles and established a base for much of today s study

of culture This study evaluates them as powerful works of literature
