Founders Fury:

Fury's Hour Warren Kinsella, 2011-07-27 No holds barred political strategist Warren Kinsella's colourful no holds barred look at punk rock and how it influenced him and millions of other kids to strive for nothing less than changing the world. Playing bass for Calgary punk rock quartet the Hot Nasties might seem a strange way for one of Canada's top political strategists to have spent his formative years but in *Fury's Hour* Warren Kinsella's exploration of punk's history and heroes its factions failures and triumphs he shares his unique view into a subculture that has long encouraged people to think big about the world. From early meetings with icons Joey Ramone and Joe Strummer Kinsella has gone on to interview a who's who of punk Sex Pistols Johnny Rotten and Glen Matlock Fugazi's Ian MacKaye Billy Idol DOA's Joey Shithead Keithly Bad Religion's Brett Gurewitz Blink 182 Good Charlotte and many more. Since he was a teenager Kinsella has challenged his heroes to put into words the true value of the music. How after decades of co-optation by the record industry neo Nazis and misdirected radicals are new generations continuing what he calls punk's search for the real. In *Fury's Hour* with the iconoclasm and passion that have marked his career in politics Warren Kinsella searches for the soul of a sound that invigorated the way he and millions of others have grown up finding a way to turn anger into energy.

August Wilson's American Century Laurence A. Glasco, 2026-02-10 Playwright August Wilson

is best known for his American Century Cycle a sequence of ten plays including the Pulitzer Prize winning *Fences* and *The Piano Lesson* that chronicle the lives of Black Americans in each decade of the twentieth century. But behind the celebrated plays stands a complex man shaped by his hometown's vibrant Black culture. In *August Wilson's American Century* Life as Art Laurence A. Glasco one of the foremost historians of Black life in Pittsburgh draws on Wilson's early poetry archival material and original interviews with family members neighbors and friends to show how the city and its residents shaped the playwright and his work. Wilson's overlapping identities as an outsider warrior race man and poet helped him persevere in the face of setbacks weave real life observations with his poetry to craft memorable dialogue and compelling characters and portray the realities of race in America in ways that have resonated with theatergoers and readers ever since. Glasco uncovers the story of how the people and places of Pittsburgh remained with Wilson after he left his hometown shining through in a body of work that brought the struggles and triumphs of the Black experience to a wide audience and changed American theater for the better.
