DOING WHAT JESUS DID

Going Deep

Henry George Liddell, Robert Scott

Going Deep:

Going Deep Gordon MacDonald, 2011-10-18 The future of the Christian faith will not be determined by the number of people who fill the pews but by the spiritual depth of those people Pastor Gordon MacDonald revisits the fictional New England congregation of his critically acclaimed book *Who Stole My Church* to deal with a new dilemma What is his church's story What is it doing that justifies its existence The importance of these questions is anything but fiction Through a series of e-mails and discussions with friends and parishioners Pastor Gordon's search for their story leads him to realize that the future of the Christian faith and thus the church is at risk As MacDonald says We seem to know how to get unchurched people to visit our buildings We even seem to know how to draw them across the line into a declaration of personal faith in Jesus But what we do not seem to know is how to cultivate spiritually deep people Tomorrow's church could be headed for trouble Deep people People who possess spiritual awareness and maturity people with solid grounded life altering faith MacDonald shows that the church needs people with a passion for God's presence and a desperate hunger to seek him above all things Join Pastor MacDonald and his congregation on their quest to cultivate spiritual depth and grow into a community of believers whose hearts and minds are truly focused on God
